Jojo's Bizarre Adventure: Manga's Refined Oddball Frederico Anzalone, 2021-10-31 What do Michelangelo, Clint Eastwood, Lady Gaga, Stephen King and Gianni Versace have in common? They are among the thousand and one influences of Jojo's Bizarre Adventure, one of the most unclassifiable mangas of all time. This

is also one of the most popular ones, with more than 100 million copies sold in Japan and a publication that has been going since 1987! The New Yorker Stories Ann Beattie, 2010-11-16 The perfect book for new fans and decade-long supporters alike, Ann Beattie: The New Yorker provides readers with a lifetime worth of short stories from one of the most original and celebrated voices of her generation. When Ann Beattie began publishing short stories in The New Yorker in the mid-seventies, she emerged with a voice so original, and so uncannily precise and prescient in its assessment of her characters' drift and narcissism, that she was instantly celebrated as a voice of her generation. Her name became an adjective: Beattiesque. Subtle, wry, and unnerving, she is a master observer of the unraveling of the American family, and of the myriad small occurrences and affinities that unite us. Her characters, over nearly four decades, have moved from lives of fickle desire to the burdens and inhibitions of adulthood and on to failed aspirations, sloppy divorces, and sometimes enlightenment, even grace. Each Beattie story, says Margaret Atwood, is like a fresh bulletin from the front: we snatch it up, eager to know what's happening out there on the edge of that shifting and dubious no-man's-land known as interpersonal relations. With an unparalleled gift for dialogue and laser wit, she delivers flash reports on the cultural landscape of her time. Ann Beattie: The New Yorker Stories is the perfect initiation for readers new to this iconic American writer and a glorious return for those who have known and loved her work for decades.

How Did I Become Like This? Nicholas Imoru,2010-02 How do people end up with the kind of attitude they have? Why do some people have good attitudes and others in the same conditions, bad attitudes? In this book, Nick explains these two questions. Having the right attitude is not a gift, but a choice. The choice of an individual determines what he/she becomes. No one forces you to think or feel or behave the way you do. It is your choice, so you can choose to have a good attitude. Your choice is the compass that points out your destination. So, your choice to becoming a better you is what generates in you the passion to transforming your attitude. It is not the world outside that determines the outcome of your life, it's the world inside. What you think, you become; for as he thinks in his heart so is he.
