Not So Much, Said the Cat Michael Swanwick,2016-07-18 The master of literary science fiction returns with this dazzling new collection. Michael Swanwick takes us on a whirlwind journey across the globe and across time and space, where magic and science exist in possibilities that are not of this world. These tales are intimate in their telling, galactic in their scope, and delightfully sesquipedalian in their verbiage. Join the caravan through Swanwick's worlds and into the playground of his mind. Travel from Norway to Russia and America to Gehenna. Discover a calculus problem that rocks the ages and robots who both nurture and kill. Meet a magical horse who protects the innocent, a semi-repentant troll, a savvy teenager who takes on the Devil, and time travelers from the Mesozoic who party till the end of time...

Local Girls Caroline Zancan,2016-06-28 Named one of the summer's best books by People, Glamour, The Huffington Post, and Pure Wow Publishers Weekly Book of the Week Named one of Refinery 29's "21 New Authors to Watch" in 2015 The first person to break your heart isn't always your boyfriend. Sometimes it's your best friend. Maggie, Lindsey, and Nina have been friends for most of their lives. The girls grew up together in a dead-end Florida town on the outskirts of Orlando, and the love and loyalty they have for one another have been their only constants. Now nineteen and restless, the girls spend empty summer days bouncing between unfulfilling jobs, the beach, and their favorite local bar, The Shamrock. It's there that a chance encounter with a movie star on the last night of his life changes everything. Passing through Orlando, Sam Decker comes to The Shamrock seeking anonymity, but finds Maggie, Lindsey, and Nina instead. Obsessed with celebrity magazines that allow them a taste of the better lives they might have had, the girls revel in his company. But the appearance of Lila, the estranged former member of the girls' group, turns the focus to their shared history, bringing all their old antagonisms to the surface—Lila's defection to Orlando's country club school when her father came into some money, and the strange, enchanting boy she brought into their circle, who fundamentally altered dynamics that had been in play for years. By the night's end, the escalation of these long-buried issues forces them to see one another as the women they are now instead of the girls they used to be. With an uncanny eye for the raw edges of what it means to be a girl and a heartfelt sense of the intensity of early friendship, Local Girls is a look at both the profound role celebrity plays in our culture, and how the people we know as girls end up changing the course of our lives.

The Worst Noel Collected Authors of the Worst Noel,2009-10-13 Does the thought of mistletoe give you hives? Does the sound of jingling bells instill fear in your heart? Do you hide under the covers from the day after Thanksgiving till New Year's Day? And even if you love Christmas, do the hyperconsumerism, overindulgence, and tinsel-covered everything make you crazy? If you said yes to any of these questions, this is the book for you. You are not alone. Everyone has a Christmas-nightmare story to tell. Some of the best writers around have gone through some of the worst Christmases ever. Their tales of holly-draped horror are gathered here for your amusement, from NEAL POLLACK's Christmas-ham disaster to the accidental Santahood of JONI RODGERS to BINNIE KIRSHENBAUM's receiving what may be the worst gift ever given. And Stanley Bing gives us a peek at the lonely guy's Xmas feast. All this, plus many more recollections of Worst Noels past. So pour yourself a glass of eggnog, chisel off a piece of rock-hard fruitcake, and curl up in the big comfy chair by the fireplace where the stockings have been hung with such care -- and settle in to read The Worst Noel.

Extra Lives Tom Bissell,2011-06-14 In Extra Lives, acclaimed writer and life-long video game enthusiast Tom Bissell takes the reader on an insightful and entertaining tour of the art and meaning of video games. In just a few decades, video games have grown increasingly complex and sophisticated, and the companies that produce them are now among the most profitable in the entertainment industry. Yet few outside this world have thought deeply about how these games work, why they are so appealing, and what they are capable of artistically. Blending memoir, criticism, and first-rate reportage, Extra Lives is a milestone work about what might be the dominant popular art form of our time.

More or Less a Marchioness Anna Bradley,2018-02-06 The Somerset sisters, three beautiful, headstrong debutantes in Regency London, are discovering that a bit of scandal is a delightful thing . . . For the sake of propriety, and her younger sisters' reputations, Iris Somerset has kept her rebellious streak locked away. But though she receives a proposal from Phineas Knight, Lord of Huntington, Iris can't marry a man she knows isn't truly enamored with her. In fact, Iris no longer wants to be chosen—she wants to choose. Under the clandestine tutelage of “wicked widow” Lady Annabel Tallant, she'll learn how to steer her own marriage prospects—and discover her secret appetites . . . What kind of debutante refuses a marquess? Finn is surprised, a little chastened—and thoroughly intrigued. This new, independent version of Iris is far more alluring than the polished socialite she used to be. Finn believed he needed a safe, quiet wife to curb his wilder impulses. But the more Iris surprises him, the more impossible it becomes to resist their deepest desires . . .

The Houseguest: And Other Stories Amparo Dávila,2018-11-20 The first collection in English of an endlessly surprising, master storyteller Like those of Kafka, Poe, Leonora Carrington, or Shirley Jackson, Amparo Dávila's stories are terrifying, mesmerizing, and expertly crafted—you'll finish each one gasping for air. With acute psychological insight, Dávila follows her characters to the limits of desire, paranoia, insomnia, and fear. She is a writer obsessed with obsession, who makes nightmares come to life through the everyday: loneliness sinks in easily like a razor-sharp knife, some sort of evil lurks in every shadow, delusion takes the form of strange and very real creatures. After reading The Houseguest—Dávila's debut collection in English—you'll wonder how this secret was kept for so long.

The Silver Swan Amo Jones,2017-03-07 Riddle me this... I am neither dead, nor alive, and I'm not something little Madison can hide. But you will be dead, by the time this is done... the timer starts now, and the games have just begun... Madison Montgomery comes from money and power, but when someone close to her commits the ultimate crime, Madison must live with her tainted name for the rest of her life. When she begins Riverside Preparatory Academy, the private school her father has swept her into in The Hamptons, she hopes for a fresh start. What she wasn't hoping for was the pack of bad boys who run the school; ten, to be exact. When Madison gains the attention of their leader, Bishop Vincent Hayes, a whole new world that she didn't think existed is exposed to her. A whole world that starts and ends with The Elite Kings Club and these boys, are about to flip her world upside down. Secrets are overflowing and family lies are about to be exposed. Is there more to Madison Montgomery than even she knows? About this book: I need to admit something right now. The Silver Swan is f*cked. It might be the most insane story I've ever written with equally insane characters. Who knew? You know, when I started this book, it was supposed to be YA. I wanted to write a book that my sisters could read. A book that won't have people look at my mum like damn... what sort of messed up shit happened to your kid?. The angst, the assholeness, the games, the f**kery, the WHAT THE F**KING F**K ARE YOU DOING !!!... I cannot even.... anyway, this is a warning (and the only one I'll give you). It's crazy. I don't compare my work to my others, but this book is f**ked. It will most likely stomp all the f**k over people's hard limits (and not give a sh*t while it's doing it) and will make you second guess all the morals you thought you had. This most definitely is not looking like a love story right now... more like a..... I don't even.... anyway, I apologise now. You asked for it..

The Rose Throne Mette Ivie Harrison,2013-05-14 Richly-imagined fantasy romance from the author of Princess and the Hound, a tale of two princesses--one with magic, one with none--who dare seek love in a world where real choice can never be theirs. For fans of Megan Whalen Turner, Catherine Fisher, and Cassandra Clare. Ailsbet loves nothing more than music; tall and red-haired, she's impatient with the artifice and ceremony of her father's court. Marissa adores the world of her island home and feels she has much to offer when she finally inherits the throne from her wise, good-tempered father. The trouble is that neither princess has the power--or the magic--to rule alone, and if the kingdoms can be united, which princess will end up ruling the joint land? For both, the only goal would seem to be a strategic marriage to a man who can bring his own brand of power to the throne. But will either girl be able to marry for love? And can either of these two princesses, rivals though they have never met, afford to let the other live?

The Maddest Obsession Danielle Lori,2022-02-14 NOTE: This is a special edition cover. The content is the same as the original work. She fears the dark. He rules it. Her dresses are too tight, her heels too tall. She laughs too loudly, eats without decorum, and mixes up most sayings in the book. Little do most know it's just a sparkly disguise, there to hide one panic attack at a time. Nobody can crack Gianna's facade . . . no one anyway, until he comes along. Most see a paragon of morality; a special agent upholding the law. In the New York underworld, others know him as a hustler, a killer, his nature as cold as the heart of ice in his chest. Christian Allister has always followed the life plan he'd envisioned in his youth, beneath the harsh lights of a frigid, damp cell. With a proclivity for order and the number three, he's never been tempted to veer off course. But perhaps one should never say never . . . One winter night and their lives intertwine. She hates him-his stone-cold demeanor, his arrogance and too-perceptive eye-but over the years, even as their games consist of insulting each other's looks and intelligence, she begins to live to play with him. Nowhere in Christian's plans had he ever prepared for Gianna. She's chaos embodied, not his type, and married, but none of that can stop his eyes from following her wherever she goes. All along, she doesn't even know that she's his-his frustration, his fascination. His maddest obsession.

Once Upon a Dream Liz Braswell,2016-04-05 What if the sleeping beauty never woke up? Once Upon a Dream marks the second book in a new YA line that reimagines classic Disney stories in surprising new ways. It should be simple--a dragon defeated, a slumbering princess in a castle, a prince poised to wake her. But when the prince falls asleep as his lips touch the fair maiden's, it is clear that this fairy tale is far from over. With a desperate fairy's last curse controlling her mind, Princess Aurora must escape from a different castle of thorns and navigate a dangerously magical landscape--created from her very own dreams. Aurora isn't alone--a charming prince is eager to join her quest, and old friends offer their help. But as Maleficent's agents follow her every move, Aurora struggles to discover who her true allies are and, moreover, who she truly is. Time is running out. Will the sleeping beauty be able to wake herself up?

The Dark Verse, Vol. 1 M. Amanuensis Sharkchild,2016-07-22
A Shepherd to Fools Drew Mendelson,2021-08-12 A Shepherd to Fools is the second of Drew Mendelson’s trilogy of Vietnam War novels that began with Song Ba To and will conclude with Poke the Dragon. Shepherd: It is the ragged end of the Vietnam war. With the debacle of a failing South Vietnamese invasion of Northern Laos as background, A Shepherd to Fools tells the harrowing tale of a covert Hatchet Team of US soldiers and Montagnard mercenaries. They are ordered to find and capture or kill a band of American deserters, called Longshadows, before the world learns of their paralyzing rebellion. An earlier attempt to capture them failed disastrously, the facts of it buried. Captain Hugh Englander commands the Hatchet Team. He is a humorless bastard, sneering and discourteous to every regular army soldier. He cares little for the welfare of his own men and nothing for the lives of the deserters. The conflict between him and Captain David Weisman, the artillery officer assigned to the mission for artillery support, threatens to tear the team apart. Deep in the Laotian jungle, the team is caught in a final, horrific battle facing an enemy armed with Sarin nerve gas, the “worst of the worst” of the war’s clandestine weapons.

Winning Hollywood's Goodest Girl Max Monroe,2020-06-10 Raquel and Harrison sitting in a tree, K-I-S-S-I-N-G. First comes love. Then comes marriage. Then comes a baby in the baby carriage. That's how her brother used to sing it when we were kids-a simple ploy to get under my skin and make me stick my fist in his face-but man oh man, did he get the order wrong. One night of kissing in New York catapulted us straight to the pregnancy portion of the song-surprise!-and now I have to figure out how to carry out the whole melody in reverse. A baby on the way first. Then love and marriage? It's complicated on its best day. But our situation is far more problematic than just a simple twist of nursery rhyme lyrics. Before our night together, Raquel Weaver was the best-known good girl in Hollywood-a twenty-nine-year-old innocent beauty whom the world adored and watched like a hawk. Obviously, the consequences of that kind of reputation don't just go away. Add in pregnancy hormones, the media, a fake fiancé, and a selfish manager, and you have the short list of my problems. As a thirty-four-year-old, successful CFO of a multibillion-dollar media conglomerate, I thought I would be able to handle anything show business could throw my way, but I'm starting to think I might be in over my head. Good thing I'm all in. Winning Hollywood's goodest girl is going to take everything I've got.
