Happiness 6 Shuzo Oshimi,2017-12-19 A supernatural story of sexual awakening, growing up, and suburban vampirism, Happiness follows a dorky boy who is attacked by a girl in an alley. She sucks his blood and gives him a choice: life or death. He chooses life, but finds himself nearly overwhelmed by a new thirst and a fascination with the necks of his classmates... Praise for Flowers of Evil: A shockingly readable story that vividly--one might even say queasily--evokes the fear and confusion of discovering one's own sexuality. Recommended. -The Manga Critic A page-turning tale of sordid middle school blackmail. -Otaku USA Magazine By loving this manga I recognize what a sick and twisted individual I have become. While I can still say that I am not truly deviant, Flowers of Evil is a great reminder of my own thirst for power and my own personal corruption. -Otaku Champloo

She and Her Cat Makoto Shinkai,Naruki Nagakawa,2022-11-22 For fans of Mieko Kawakami’s Breasts and Eggs and Murata Sayaka’s Earthlings, this Japanese bestseller from renowned anime director Makoto Shinkai features four inspirational and heartwarming vignettes following women and their cats in their quests for love and connection. Lying alone on the edge of the sidewalk in an abandoned cardboard box, a nameless narrator contemplates the indifferent world around him. With his mother long gone, his only company is the sound of the nearby train. Just as he fears that the end is near, a young woman peers down at him, this fateful encounter changing their lives forever. So begins the first story in She and Her Cat, a collection of four interrelated, stream-of-conscious short stories in which four women and their feline companions explore the frailty of life, the pain of isolation, and the limits of communication. With clever narration alternating between the cats and their owners, She and Her Cat offers a unique and sly commentary on human foibles and our desire for connection. A whimsical short story anthology unlike any other, it effortlessly demonstrates that even in our darkest, most lonesome moments, we are still united to this wonderous world—often in ways we could never have expected.

Reborn!, Vol. 1 Akira Amano,2006-10-03 Tsunayoshi Sawada (Tsunas for short) is a cowardly junior high student who doesn't excel at academics or sports. He only attends school so he can stare at his beautiful classmate Kyoko from afar. But Tsuna's life takes a dramatic turn when Reborn, a suit-wearing, gun-toting baby who claims to be an Italian hit man, shows up at his house. Reborn was sent to Japan to groom Tsuna for his future life as a big Mafia boss. Tsuna doesn't believe this absurd story, so Reborn shoots Tsuna in the head with his gun. As Tsuna faces his own death, he's filled with regret that he never confessed his feelings to Kyoko...and suddenly he's overcome with supernatural powers that allow him to run off screaming to tell Kyoko how much he loves her. After five minutes, Tsuna goes back to normal. Reborn explains how his gun works: when he shoots a person in the head, if that person has regrets about her life, then she will die and be reborn, temporarily endowed with special powers that enable her to fix or solve whatever is the source of her regret. (If Reborn shoots someone who is free of regret, she would die.) Tsuna becomes Reborn's disciple, and because Reborn shoots Tsuna in the head all the time, he is constantly being reborn and growing into a stronger and better person, gradually impressing those around him and making friends.
