Dolls of Hope Shirley Parenteau, 2015-09-22 How daring is Chiyo prepared to be to keep the American Friendship Doll safe? Inspired by a little-known historical event, this engaging companion to *Ship of Dolls* is told from a Japanese girl's point of view. When eleven-year-old Chiyo Tamura is sent from her home in a small Japanese mountain village to a girls' school in the city of Tsuchiura, she never imagines that she will soon be in Tokyo helping to welcome more than twelve thousand Friendship Dolls from America--including Emily Grace, a gift to her own school. Nor could she dream that she'd have an important role in the crafting of Miss Tokyo, one of fifty-eight Japanese dolls to be sent to America in return. But when an excited Chiyo is asked to be Emily Grace's official protector, one jealous classmate will stop at nothing to see her fail. How can Chiyo reveal the truth--and restore her own good name? In another heartwarming historical novel, the author of *Ship of Dolls* revisits the 1926 Friendship Doll exchange, in which teacher-missionary Sidney Gulick organized American children to send thousands of dolls to Japan in hopes of avoiding a future war.

The Films of Terrence Malick James Morrison, Thomas Schur, 2003-09-30 Despite overwhelming acclaim for his work, director Terrence Malick remains an under-

examined figure of an era of filmmaking that also produced such notables as Robert Altman, Francis Ford Coppola, and Martin Scorsese. His films *Badlands* and *Days of Heaven* remain benchmarks of American cinema, while his recent *The Thin Red Line* returned him to the pantheon of American directors. In this new study, authors James Morrison and Thomas Schur examine each of his films in detail, drawing on extensive archival research to construct a portrait of his working methods as a director as well as the thematic, aesthetic, and cultural components of his work. Moreover, aside from tracing the development of Malick's filmmaking from its beginnings to the present, the book compares his finished pictures to their original shooting scripts, and so provides a unique means of exploring the nature of his working methods and the ways in which they influence the final products. Revealing the ways in which these films connect to and depart from evolving traditions of the last 30 years, *The Films of Terrence Malick* provides a comprehensive and penetrating study as well as an informative and adventurous work of film criticism.

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The Women of Little Lon Barbara Minchinton,2021-08-16 A vivid account of a remarkable but little-known chapter in Melbourne's history Sex workers in nineteenth-century Melbourne were judged morally corrupt by the respectable world around them. But theirs was a thriving trade, with links to the police and political leaders of the day, and the leading brothels were usually managed by women. While today a city lane is famously named after Madame Brussels, the identities of the other 'flash madams', the 'dressed girls' who worked for them and the hundreds of women who solicited on the streets of the Little Lon district of Melbourne are not remembered. Who were they? What did their daily lives look like? What became of them? Drawing on the findings of recent archaeological excavations, rare archival material and family records, historian Barbara Minchinton brings the fascinating world of Little Lon to life. Barbara Minchinton is a historian and independent researcher. For several years she collaborated with a team of archaeologists on the interpretation of artefacts from Melbourne's Little Lon district. She is the co-editor of *The Commonwealth Block*, Melbourne, a historical archaeology of the city's working-class and immigrant communities, and the author of *The Women of Little Lon*.

Happiness 6 Shuzo Oshimi, 2017-12-19 A supernatural story of sexual awakening, growing up, and suburban vampirism, Happiness follows a dorky boy who is attacked by a girl in an alley. She sucks his blood and gives him a choice: life or death. He chooses life, but finds himself nearly overwhelmed by a new thirst and a fascination with the necks of his classmates... Praise for Flowers of Evil: A shockingly readable story that vividly--one might even say queasily--evokes the fear and confusion of discovering one's own sexuality. Recommended. -The Manga Critic A page-turning tale of sordid middle school blackmail. -Otaku USA Magazine By loving this manga I recognize what a sick and twisted individual I have become. While I can still say that I am not truly deviant, Flowers of Evil is a great reminder of my own thirst for power and my own personal corruption. -Otaku Champloo
