Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Happiness 6 Shuzo Oshimi,2017-12-19 A supernatural story of sexual awakening, growing up, and suburban vampirism, Happiness follows a dorky boy who is attacked by a girl in an alley. She sucks his blood and gives him a choice: life or death. He

chooses life, but finds himself nearly overwhelmed by a new thirst and a fascination with the necks of his classmates... Praise for Flowers of Evil: A shockingly readable story that vividly--one might even say queasily--evokes the fear and confusion of discovering one's own sexuality. Recommended. -The Manga Critic A page-turning tale of sordid middle school blackmail. -Otaku USA Magazine By loving this manga I recognize what a sick and twisted individual I have become. While I can still say that I am not truly deviant, Flowers of Evil is a great reminder of my own thirst for power and my own personal corruption. -Otaku Champloo

The Defeated Detective Shantnu Tiwari, 2016-11-06 Many years ago, when Detective Royce was travelling in India, he found himself in the unfortunate position of being dead. Murdered, to be precise. But he made a contract with the Goddess of Death, which allowed him to return. This contract is what drives him now. Because he supposedly fails every single case he takes on, he's known as the Defeated Detective. Featuring 3 Defeated Detective Stories. RSVP Murder: A man predicts his own murder, and invites Royce to investigate. You are Invited to a Murder: Someone is going to be killed live on stage, unless Royce can stop it. Can he? The Dame Who Loved Me: The wife of a man Royce murdered

wants his help in finding him.

Cat Town □□□□□, 1948

Lady Cop Makes Trouble Amy Stewart, 2016-09-06 “A colorful and inventive adventure tale.”—Washington Post “It’s True Grit, New York style.”—New York Post “One of the best mystery novels of the year: wonderful and very entertaining.” —New York Journal of Books “Stewart deftly combines the rough-and-tumble atmosphere of early twentieth-century New York City with the story of three women who want to live life on their own terms.” —Library Journal, starred review In 1915, lady cops were not expected to chase down fugitives on the streets of New York City. But Constance Kopp never did what anyone expected. Constance and her sisters aren’t living the quiet life anymore. They’ve made headlines fighting back against a ruthless silk factory owner and his gang of thugs. After Sheriff Heath sees Constance in action, he appoints her as one of the nation’s first female deputies. But when a German-speaking con man threatens her position—and puts the honorable sheriff at risk for being thrown in his own jail—Constance will be forced to prove herself again. Based on the Kopp sisters’ real-life adventures, *Girl Waits with Gun* introduced the sensational lives of Constance Kopp and her sisters to an army of enthusiastic

readers. This second installment, also ripped from the headlines, takes us farther into the riveting story of a woman who defied expectations, forged her own path, and tackled crime along the way. “A fast-moving, craftily written novel.”—BookPage “[An] irresistible madcap adventure.”—PopSugar “Stewart leaves the reader wondering about one mystery still developing unsolved . . . Readers will just have to wait—impatiently, no doubt—for book No. 3.”—Boston Globe

The Gold Demon Kiyoko Ozaki, 1905

International Law Lori Fisler Damrosch, 2001 Updated with an emphasis on current issues, this classic casebook emphasizes developments in international law, with expertly edited cases and problems for class discussion. *Cases and Materials on International Law* offers a treatment of the subject for introductory and advanced classes and detailed readings and reference materials for those who wish to pursue topics in depth. The fourth edition enriches every chapter with new information on institutions contributing to the sources and enforcement of international law, including the World Trade Organization, the International Criminal Tribunals for Yugoslavia and Rwanda, the prospective International Criminal Court, and organizations in the fields of law of the sea and arms

control. International criminal law now has a chapter of its own, and the casebook gives expanded treatment to human rights, environmental law, and economic law.

Mother Teresa's Lessons of Love and Secrets of Sanctity

Susan Conroy, 2003-04-07 An inside view of Mother Teresa's heroic love at work A moving first-hand account of Mother Teresa and her work, written by someone who worked by her side. As an idealistic young volunteer, author Susan Conroy spent a summer serving in one of Mother Teresa's orphanages and in the Home for the Dying. In a city where I found hell on earth, she says, I also found each day a deep sense of peace and incredible happiness. It was an experience that changed her life forever. She learned why

Mother Teresa had found real joy in working with the poorest of the poor. Along the way, she took striking photographs that have never been seen before now - photographs that show Mother Teresa at her everyday best. This is an account you won't soon forget, told with simple and loving directness by an eyewitness.

Mother Teresa Joseph Langford, MC,2007-10-24 Stay very close to Our Lady. If you do this, you can do great things for God and the good of people. -- Mother Teresa of Calcutta As it was for Mother Teresa, so it can be for the rest of us. By standing close to Our Lady we can find the grace and courage to overcome our own personal trials and crosses. Summon the same powerful presence and aid of Our Lady by following the example of Mother Teresa. Sitting with Mother Teresa, watching her tend to the sick and the dying, feeling the aura of holiness around her person, seeing her bent in prayer, lost in God -- how often I asked myself if I was not seeing something of Our Lady, experiencing a glimpse of the Virgin of Nazareth. -- Joseph Langford, MC, author and co-founder of the Missionaries of Charity Fathers

Snowfall on Haven Point RaeAnne Thayne,2016-09-27 There's no place like Haven Point for the holidays, where the snow conspires to bring two wary hearts together for a Christmas to

remember It's been two rough years since Andrea Montgomery lost her husband, and all she wants is for her children to enjoy their first Christmas in Haven Point. But then Andie's friend asks a favor—to keep an eye on her brother, Sheriff Marshall Bailey, who's recovering from a hit and run. Andie will do anything for Wyn, even park her own misgivings to check on her grouchy, wounded bear of a brother. Marshall hates feeling defenseless and resents the protective impulses that Andie brings out in him. But when a blizzard forces them together for the holidays, something in Marshall begins to thaw. Andie's gentle nature is a salve, and her kids' excitement for the holidays makes him forget why he never wanted a family. If only he and Andie can admit what they really want—each other—their Christmas wishes might come true after all. Don't miss the latest Haven Point Christmas romance, *Coming Home for Christmas*, available now!

The Jesus and Mary Chain's Psychocandy Paula

Mejia, 2016-10-20 The Jesus and Mary Chain's swooning debut *Psychocandy* seared through the underground and through the pop charts, shifting the role of noise within pop music forever. Post-punk and pro-confusion, *Psychocandy* became the sound of a generation poised on the brink of revolution, establishing Creation

Records as a tastemaking entity in the process. The Scottish band's notorious live performances were both punishingly loud and riot-spurring, inevitably acting as socio-political commentary on tensions emergent in mid-1980s Britain. Through caustic clangs and feedback channeling the rage of the working-class who'd had enough, Psychocandy gestures toward the perverse pleasure in having your eardrums exploded and loudness as a politics within itself. Yet Psychocandy's blackened candy heart center – calling out to phantoms Candy and Honey with an unsettling charm – makes it a pop album to the core, and not unlike the sugarcoated sounds the Ronettes became famous for in the 1960s. The Jesus and Mary Chain expertly carved out a place where depravity and sweetness entwined, emerging from the isolating underground of suburban Scotland grasping the distinct sound of a generation, apathetic and uncertain. The irresistible Psychocandy emerged as a clairvoyant account of struggle and sweetness that still causes us to grapple with pop music's relation to ourselves.

Donny Hathaway's Donny Hathaway Live Emily J.

Lordi,2016-10-20 In January of 1979, the great soul artist Donny Hathaway fell fifteen stories from a window of Manhattan's Essex House Hotel in an alleged suicide. He was 33 years old and

everyone he worked with called him a genius. Best known for “A Song for You,” “This Christmas,” and classic duets with Roberta Flack, Hathaway was a composer, pianist, and singer committed to exploring “music in its totality.” His velvet melisma and vibrant sincerity set him apart from other soul men of his era while influencing generations of singers and fans whose love affair with him continues to this day. The first nonfiction book about Hathaway, *Donny Hathaway Live* uses original interviews, archival material, musical analysis, cultural history, and poetry to tell the story of Hathaway's life, from his beginnings as a gospel wonder child to his final years. But its focus is the brutally honest, daringly gorgeous music he created as he raced the clock of mental illness—especially in the performances captured on his 1972 album *Donny Hathaway Live*. That album testifies to Hathaway's uncanny ability to amplify the power and beauty of his songs in the moment of live performance. By exploring that album, we see how he generated a spiritual experience for those present at his shows, and for those with the privilege to listen in now.

Getting Religion Kenneth L. Woodward, 2017-11-14 In this thoughtful book, Ken Woodward offers us a memorable portrait of the past seven decades of American life and culture. From

Reinhold Niebuhr to Billy Graham, from Abraham Heschel to the Dali Lama, from George W. Bush to Hillary Clinton, Woodward captures the personalities and charts the philosophical trends that have shaped the way we live now. –Jon Meacham, author of *Destiny and Power* Impeccably researched, thought-challenging and leavened by wit, *Getting Religion*, the highly-anticipated new book from Kenneth L. Woodward, is ideal perfect for readers looking to understand how religion came to be a contentious element in 21st century public life. Here the award-winning author blends memoir (especially of the postwar era) with copious reporting and shrewd historical analysis to tell the story of how American religion, culture and politics influenced each other in the second half of the 20th century. There are few people writing today who could tell this important story with such authority and insight. A scholar as well as one of the nation's most respected journalists, Woodward served as *Newsweek's* religion editor for nearly forty years, reporting from five continents and contributing over 700 articles, including nearly 100 cover stories, on a wide range of social issues, ideas and movements. Beginning with a bold reassessment of the Fifties, Woodward's narrative weaves through Civil Rights era and the movements that followed in its wake: the

anti-Vietnam movement; Liberation theology in Latin America; the rise of Evangelicalism and decline of mainline Protestantism; women's liberation and Bible; the turn to Asian spirituality; the transformation of the family and emergence of religious cults; and the embrace of righteous politics by both the Republican and Democratic Parties. Along the way, Woodward provides riveting portraits of many of the era's major figures: preachers like Billy Graham and Jerry Falwell; politicians Mario Cuomo and Hillary Clinton; movement leaders Daniel Berrigan, Abraham Joshua Heschel, and Richard John Neuhaus; influential thinkers ranging from Erik Erikson to Elizabeth Kubler-Ross; feminist theologians Rosemary Reuther and Elizabeth Schussler-Fiorenza; and est impresario Werner Erhardt; plus the author's long time friend, the Dalai Lama. For readers interested in how religion, economics, family life and politics influence each other, Woodward introduces fresh a fresh vocabulary of terms such as "embedded religion," "movement religion" and "entrepreneurial religion" to illuminate the interweaving of the secular and sacred in American public life. This is one of those rare books that changes the way Americans think about belief, behavior and belonging.

Family Sins Sharon Sala, 2016-10-25 "A soul-wrenching story

of love, heartache, and murder that is practically impossible to put down” from the New York Times–bestselling author (Fresh Fiction). Felled by a cowardly shot to the back, Stanton Youngblood has just enough time before he dies to leave a single clue to his killer’s identity: the word Wayne, scrawled in his own blood. That word means everything to his widow. Leigh Youngblood was once Leigh Wayne, but she left her wealthy family behind thirty years ago when she fell in love with Stanton, a betrayal the Waynes have never forgiven. Now she publicly vows to discover which of her siblings thinks money and power are enough to cover up a murder. Back in town to find his father’s killer, prodigal son Bowie finds his search for justice comes with an unexpected ray of light. He’s loved Talia Champion forever, but when she said she couldn’t marry him, he left town and never looked back. This time it’s Talia who needs him, and it isn’t in him to deny her anything. But the killer still has a score to settle, and if that means spilling more blood—so much the better. Praise for Sharon Sala “If you can stop reading, then you are a better woman than me.” —Debbie Macomber, New York Times–bestselling author “Sala is a master at telling a story that is both romantic and suspenseful . . . one of the best writers in the genre.” —RT Book Reviews “Sala’s

characters are vivid and engaging.” —Publishers Weekly

All These Things That I've Done Matt Pinfield, Mitchell

Cohen, 2016-09-06 “The most trusted opinion in rock music” (Billy Corgan, The Smashing Pumpkins), Matt Pinfield offers the ultimate music fan’s memoir, an “entertaining and insightful” (Clive Davis) chronicle of the songs and artists that inspired his improbable career alongside some of the all-time greats, from The Beatles to KISS to U2 to The Killers. Matt Pinfield “makes rock ‘n’ roll fandom sound like a lifelong heroic quest—which it is” (Rob Sheffield). He’s the guy who knows every song, artist, and musical riff ever recorded, down to the most obscure band’s B-side single on its vinyl-only import EP. As a child, Pinfield made sense of the world through music. Later, as a teenager, Pinfield would approach his music idols after concerts and explain why he loved their songs. As an adult, rock music inspired his career, fueled his relationships, and, at times, became a life raft. In this “charming, rambling account of a life saved by rock ‘n’ roll...Pinfield is a disarmingly likable guide” (Kirkus Reviews) through his lifelong music obsession—from the heavy metal that infused his teenage years, to his first encounters with legends like Lou Reed and the Ramones and how, through his MTV years, he played a major role in

bringing nineties alt rock mainstream. Over his long career Pinfield has interviewed everyone from Paul McCartney to Nirvana to Jay-Z, earning the trust and admiration of artists and fans alike. Now, for the first time, he shares his five decades of stories from the front lines of rock ‘n’ roll, exploring how, with nothing more than passion and moxy, he became a sought-after reporter, unlikely celebrity, and the last word in popular music. Featuring a rousing collection of best-of lists, favorite tracks, and artist profiles, *All These Things That I’ve Done* “is an excellent read” (Publishers Weekly) about how a born outsider wound up in the inner circle.

A Truck Full of Money Tracy Kidder, 2016 One man's quest to recover from great success--Front cover.

Jean Cocteau Claude Arnaud, 2016-09-27 This passionate and monumental biography reassesses the life and legacy of one of the most significant cultural figures of the twentieth century Unevenly respected, easily hated, almost always suspected of being inferior to his reputation, Jean Cocteau has often been thought of as a jack-of-all-trades, master of none. In this landmark biography, Claude Arnaud thoroughly contests this characterization, as he celebrates Cocteau’s “fragile genius—a combination almost unlivable in art” but in his case so fertile. Arnaud narrates the life

of this legendary French novelist, poet, playwright, director, filmmaker, and designer who, as a young man, pretended to be a sort of a god, but who died as a humble and exhausted craftsman. His moving and compassionate account examines the nature of Cocteau's chameleon-like genius, his romantic attachments, his controversial politics, and his intimate involvement with many of the century's leading artistic lights, including Picasso, Proust, Hemingway, Stravinsky, and Tennessee Williams. Already published to great critical acclaim in France, Arnaud's penetrating and deeply researched work reveals a uniquely gifted artist while offering a magnificent cultural history of the twentieth century.

True Believer Kati Marton, 2016-09-06 Noel Field, once a well-meaning and privileged American, spied for Stalin during the 1930s and '40s. Then a pawn in Stalin's sinister master strategy, Field was kidnapped and tortured by the KGB and forced to testify against his own Communist comrades

Mother Teresa and Me Donna-Marie Cooper

O'Boyle, 2011-09-02 A brush with fame blossomed into something far more spiritual, much longer lasting -- and infinitely more beautiful... Donna-Marie Cooper O'Boyle will never forget the first time she laid eyes on Mother Teresa of Calcutta. Hunched, frail,

shorter than one of Donna's own children, the aging servant of the poorest of the poor cut an unassuming figure awaiting the start of Mass with Her Missionary of Charity sisters. They would speak briefly after the liturgy and then spend the next ten years intermittently sharing hopes, dreams, and prayers through the mail and in face-to-face conversations. With Mother Teresa and Me, Donna-Marie invites you to step inside her deeply personal experiences with one of the greatest souls of modern times. Take her up on the offer and don't be surprised if you, too, find your heart blessed and your soul inspired by the diminutive nun who left an enormous impression on Donna-Marie -- and on the whole world.
