How the Lion Became the King of the Animals Anirban Majumder,2017-12-17 This is based on a story I told my boys one night. They wanted to see it on paper, so I wrote it out and then there I was flooded with questions - What about the other animals that we missed - Gorillas, Tigers, Wolves, Crocodiles, Snakes, Zebras, Jaguars and the so many others? I ask my young readers to read the book and color the pictures. Look up an animal, learn fun facts about it, write, draw and paint it in the book- the book has blank pages just for that! See how it becomes your own unique copy - just the one in the whole universe!
