The Book as Art Krystyna Wasserman,Breslauer Professor of Bibliographical Studies at the Graduate School of Education & Information Studies Johanna Drucker,Johanna Drucker,National Museum of Women in the Arts (U.S.),2007 Artists' books have emerged over the last 25 years as the quintessential contemporary art form, addressing subjects as diverse as poetry and politics, incorporating a full spectrum of artistic media and bookmaking methods, and taking every conceivable form. Female painters, sculptors, calligraphers, and printmakers, as well a growing community of hobbyists, have played a primary role in developing this new mode of artistic expression. The Book as Art presents more than 100 of the most engaging women's artist books created by major fine artists such as Meret Oppenheim, May Stevens, Kara Walker, and Renee Stout and distinguished book artists such as Susan King, Ruth Laxson, Claire Van Vliet, and Julie Chen. Culled from over 800 unique or limited-edition volumes held by the National Museum of Women in the Arts, these books explore the form as a container for ideas. Descriptions of the works are accompanied by colorful illustrations and reflections by their makers, along with essays by leading scholars and a lively introduction by the most famous book artist in our culture, best-selling author Audrey Niffenegger. The exquisitely crafted objects in the The Book as Art are sure to provoke unexpected and surprising conclusions about what constitutes a book. The Book as Art accompanies the exhibition of the same name at the Museum of Women in the Arts in Washington, D.C., beginning in October 2006.

A Different Home Kelly DeGarmo,John DeGarmo,2014-01-21 A sensitive picture book to help ease the anxieties of foster children aged 4 to 10 entering placement. In A Different Home, Jessie tells us her story of being placed in foster care. At first she is worried and has lots of questions. The new home is not like her old home -- she has a different bedroom, different clothes, and there's different food for breakfast. She also misses her family. When Jim and Debbie, her foster parents, answer her questions she begins to feel better and see that this different home is kind of nice. Written in simple language and fully illustrated in color, this storybook is designed to help children in care, or moving into care, to settle in and answer some of the questions they may have. Accompanied by notes for adults on how to use the story with children, it will be a useful book for foster parents and caseworkers, as well as social workers, teachers and anyone else working with children in foster care.

Water+Ink Coloring Book Winter 2020 Kim Winberry,2019-07-22 I begin my paintings with a sketch and application of colorful/bright pigment and water to the paper. I disrupt the blends with salt or water, watching as one color blossoms in water, as another color starts to travel across the paper. I utilize India Ink to demarcate changes, also adding add swirls other artifacts, in the aim to achieve whimsy. My coloring books are my paintings! I run the paintings through filters and drop the color from them, leaving the lines so that you can add your own color. But wait, there's more... I've added an Augmented Reality component to this. Wonder what colors I used for that piece in the corner there? Take out your phone, download the Zappar app from your app store and zap the code. What happens? At the very least an image of the original painting will pop up and you can see what it looks like, side by side with the coloring page. Beyond that, you'll meet Mist, my liaison to the AR world. She will be a recurring character in all my AR work. Stay tuned and enjoy.

Who has not laid at night his young head on the pillow, to paint on the walls of darkness pictures of the Wicket Gate and the Archers, the Hill of Difficulty, the Lions and Giants, Doubting Castle and Vanity Fair, the sunny Delectable Mountains and the Shepherds, the Black River and the wonderful glory beyond it; and at last fallen asleep, to dream over the strange story, to hear the sweet welcomings of the sisters at the House Beautiful, and the song of birds from the window of that upper chamber which opened towards the sunrising? **Backyard Fairies** Phoebe Wahl,2018-03-06 Fairies are real, and they're all around us! Award-winning author-illustrator Phoebe Wahl offers a fanciful and beautifully illustrated peek into the hidden world of fairies, sprites, and other magical creatures. A girl searches for fairies in her backyard and the woods beyond, following little clues and traces of magic. Fairies and other magical creatures can be found on every page, hidden among the flowers, trees and pebbles. But although readers can see them, the girl keeps searching, just one step behind... In the end, it is clear (both to the girl and readers) that there is magic all around, even when it's hidden in plain sight. Phoebe Wahl takes us deep into the world of fairies, and her vibrant, multi-textured woodland scenes are every bit as enchanting as the creatures therein. A gorgeously illustrated paean to imagination and the natural world. Delightful . . . This gently magical outing will appeal not only to longtime lovers of European folklore, but also to fans of the popular fairy door phenomenon.--Kirkus Reviews
