Shadow Fallen Sherrilyn Kenyon,2022-04-12 #1 New York Times bestselling author Sherrilyn Kenyon returns with Shadow Fallen, a brand-new entry in her Dream-Hunter series. For centuries, Ariel has fought the forces of evil. Her task was to protect the souls of innocent mortals when they die. Captured by a powerful sorceress, she is transformed into a human who has no memory of her real life or calling. And is plunked into the middle of the Norman invasion of England. Cursed the moment he was born with a demonic deformity, Valteri wants nothing of this earth except to depart it and will do his duty to his king until then. When a strange noblewoman is brought before him, Valteri realizes he has met her before...in his dreams. When others come for her, bringing with them

preternatural predators, he is faced with a destiny he had no idea was waiting. One he wants no part of. The truth is that Valteri isn't just a knight of William the Conqueror. He is the son of one of the deadliest powers in existence, and if he doesn't restore Ariel to her place, she is not the only one who will be in peril. The world itself hangs in the balance, and he is the necessary key to hold back the powers of evil. But only if he can find a way to work with the woman who stands for everything in the universe he hates. Cloak & Silence Sherrilyn Kenyon, One of the fiercest soldiers the Phrixians have ever produced, Maris Sulle has been an outsider from the moment he was born different from the rest of his family. He grew up with a secret that cost him everything—his birthright, his family, and his military career. In all his life, he's only had one love, and he has sacrificed his own happiness to see his best friend reunited with the woman he loves. But now that his good deed is done, he feels lost and adrift. Even though they do their best to include him in their new family, Maris is once again on the outside looking in. Ture has spent his life hiding from everyone around him—his family, the world, you name it—while trying desperately to fit in. Badly hurt by everyone he's ever known, he trusts no one except his own best friend. And honestly, he can't understand why he trusts her. Nor can he believe her when she describes a loyalty between friends the likes of which he's never seen. But when Ture is in his darkest hour, he's saved by a hero he thought only existed in novels. A man who is every bit as scarred and mistrusting as he is—one who has no interest in being dragged into another relationship with anyone. Having spent his life as a living study of doomed relationships, Maris is well aware of the courtship and fiasco that invariably follows. Still, there is something about Ture he can't resist. Something that won't let him walk away when he knows he should. But when old enemies return to threaten them both, they either have to stand together or die alone.

Insurrection Sherrilyn Kenyon, 2020-01-02 From the #1 bestselling author of the Dark-Hunters comes an all new tale her fans have been waiting almost two decades to read. A post-apocalyptic tale unlike any you ever seen: The virus ran swiftly on the hot summer breeze. Unseen. Unheard. Unknown. It swept through the entire earth in a matter of months, having mercy on no one. Young—old—it didn't matter. Brought to us by the Drabs, it was the last thing we expected. But the Drabs knew. They even fought a war over whether or not they should save us. In the end, it was decided that we were diseased insects who were unfit to breathe their air. Our air. So they left the human race to die a miserable death of agonizing pain in a matter of months. Left us with no doctors or medicine. Their plan was to rid the earth of us and to take our home as their own. What they never expected was the change that would come after the plague. We didn't all die off as they'd planned. Those under the age of twenty somehow managed to survive the disease. We managed to hide ourselves while our bodies changed. Still human, but now something else. Something more powerful and more intuitive. More

pissed off. Now possessed of magical powers and abilities beyond belief, we're still here on this earth, and we're not leaving. This is our home. Our planet. Drabs take note and learn to be afraid. You've had a hundred years here on earth, but now your time here is done. You called us rodents. Insects. Diseased animals. The scraps of humanity—and that, my Drab friend, we certainly are. But what you should have realized is that you can't kill a Scrap. Humanity isn't dead. Not by a long shot. We still have our soldiers and we have our conviction. Most of all, we have hope. And we will win in the end. Whatever it takes. Whatever it costs. We won't allow you to take our planet from us. So count your days, Drabs. The war is on. This edition also contains the short story *The Witch of Endor*.

Born of Rage Sherrilyn Kenyon, #1 New York Times bestselling author, Sherrilyn McQueen returns to her *League: Nemesis* Rising series in this novella that also features the very first short story she sold in 1978, *The Neighbors*. Every Life Has a Price Dakari Tievel has been marked for death by the infamous League. Staying barely one step ahead of the assassins out to end her life, she must find the legendary Eve of Destruction. But Eve is a lot more than just a bounty hunter who calls the shadows home. She comes with an interesting crew of friends and family who have no problem defying the League that rules their worlds with an iron fist. Now they must rely on the most unlikely of allies to keep Dakari safe, and themselves alive. Provided he doesn't betray them. In a universe where the League is law, it's killed or be killed.

Sword of Darkness Kinley MacGregor, 2009-10-13 The new king of Camelot wears no shining armor: Arthur and his knights have fallen and a new king rules. In the darkest forest... A scared, forsaken youth has become the most powerful—and feared—man in the world. Ruthless and unrestrained, Kerrigan has long ceased to be human. In the heart of London... A spirited peasant mired in drudgery, Seren dreams of becoming her own woman, but never expects that by fleeing her fate, she will meet her destiny. Their worlds are forever changed... Kerrigan's goal is simple: barter or kill Seren to claim Arthur's Round Table. Yet she is the one person who holds no fear of him. More than that, her nobility sparks something foreign inside him. In his nether realm, kindness is weakness and a king who harbors any sort of compassion loses his throne. For countless centuries, Kerrigan has lived alone in the shadows. Now Seren's courage has forced him into the light that will bring either salvation to both of them...or death.

Knight of Darkness Kinley MacGregor, 2009-10-13 For countless centuries, I've been the assassin for the infamous Merlin, even though the woman who birthed me sits at the right hand of our enemy, Morgen le Fey. Now both my mother and Morgen have decided that it's time I take my place on their side of this conflict. Normally, telling them no wouldn't be a problem, except for the fact that the good guys I protect think that I'm an even worse demon than the ones we fight. Hmm, maybe they're right. I have to say that I do enjoy maiming anyone who gets in my way. At least until my mother gives me a simple choice: join Morgen's Circle of the Damned or see an innocent woman die. I'm all for saving the innocent, but Merewyn isn't as innocent as she seems. And she's none too fond of the fact that her fate is in my dubious hands. Personally I'm all for taking the easy way out, but leaving her to Morgen is rough, even for me. Now the only way to save both our lives is to face the vilest forces ever known—my mother and Morgen. And two people who know nothing of trust must learn to rely on each other or die: provided we don't kill each other first.
