**Burning Tower** Larry Niven, Jerry Pournelle, 2006-12-01 Return to the vivid and unusual (Kirkus Reviews) world of Larry Niven and Jerry Pournelle's *The Burning City*, where the fire god has retreated into myth, leaving the residents of Tep's Town unprotected for the first time in their history. Unfortunately, a fiery fate isn't the only danger the town is facing. From out of the desert come monsters -- great birds with blades instead of wings, driven by some unknown force. Although they can be killed, the threat these terror birds pose is worse than death. Danger on the roads means no trade. No trade means that Tep's Town will be no more. Sent by the Lords of Lordshills to discover the source of the terror birds, Lord Sandry and his beloved, Burning Tower, must travel into a world where magic is still strong -- and where someone or something waits to destroy them! Filled with the sweeping adventure, memorable characters, and imaginative world-building that have defined the novels of Larry Niven and Jerry Pournelle, *Burning Tower* is another triumph.

*The Burning City* Jerry Pournelle, Larry Niven, 2010-12-14 Set in the world of Larry Niven's popular *The Magic Goes Away*, *The Burning City* transports readers to an enchanted ancient city bearing a provocative resemblance to our own modern society. Here Yagen-Atep, the volatile and voracious god of fire, alternately protects and destroys the city's denizens. In Tep's Town, nothing can burn indoors and no fire can start -- except when the Burning comes upon the city. Then the people, possessed by Yagen-Atep, set their own town ablaze in a riotous orgy of destruction that often comes without warning. Whandall Placehold has lived with the Burning all his life. Fighting his way to adulthood in the mean-but-magical streets of the city's most blighted neighborhoods, Whandall dreams of escaping the god's wrath to find a new and better life. But his best hope for freedom may lie with Morth of Atlantis, the enigmatic sorcerer who killed his father!

Sometimes, Gudetama wonders if we are born only to suffer. **Endless Silver Ocean** Morgan Straughan Comnick, 2021-05-21 After my dreams of becoming a teacher were finally a reality, life had thrown me into the powerful current of adulthood. Marriage was the norm Transferring jobs occurred. New adventures were thrown at me. Family and friends

came and went from my life. All of it affected me, shaped me, tossed me around like a little boat in a raging storm. Then, I was diagnosed with lupus, changing how I lived in addition to what I lived. Life became more precious to me, but at the same time, I felt it pushed me under. Welcome to your late twenties and early thirties. Life doesn't go as planned, but you have to sail on toward the horizon. In this collection, I explore more mature themes, dealing with trying to hold on to your happy youth while wading through the darkness that is always there, such as confusion, loneliness, stress, violence, and even death. Still, despite these topics, I look for the lighthouse, the beacon of hope to continue on, all through poems, short stories, children stories (about my cat and grandma), and other literary works. With the power of writing and creativity fueling me, I was able to stay afloat in light. Exclusive to this collection also is my new adult novella, Dreaming For You, following the story of Frankie Ragner, a former teenage Hollywood heartthrob that wants to better himself by being a producer, despite his addictions that have been forced upon him since youth. His only salvation when he sinks into his transgressions is his dreams, a lovely maiden visiting him in different forms when he's at his worst. She gives him everything he desires, but she's only a dream too good to be real. Still, if someone gives you such a vision, shouldn't you chase it? Endless Silver Ocean has tales for the young and young at heart, mature and impactful reading, all through poems and stories that I wrote from personal struggles, this work the most revealing about who I am as a person. Even when waves are choppy and cruel, I look to my words, my stars, to conquer this endless silver ocean.
