Practical Finite Element Analysis Nitin S. Gokhale,2008 Highlights of the book: Discussion about all the fields of Computer Aided Engineering, Finite Element Analysis Sharing of worldwide experience by more than 10 working professionals Emphasis on Practical usage and minimum mathematics Simple language, more than 1000 colour images International quality printing on specially imported paper Why this book has been written ... FEA is gaining popularity day by day & is a sought after dream career for mechanical engineers. Enthusiastic engineers and managers who want to refresh or update the knowledge on FEA are encountered with volume of published books. Often professionals realize that they are not in touch with theoretical concepts as being pre-requisite and find it too mathematical and Hi-Fi. Many a times these books just end up being decoration in their book shelves ... All the authors of this book are from IITs & IISc and after joining the industry realized gap between university education and the practical FEA. Over the years they learned it via interaction with experts from international community, sharing experience with each other and hard route of trial & error method. The basic aim of this book is to share the knowledge & practices used in the industry with experienced and in particular beginners so as to reduce the learning curve & avoid reinvention of the cycle. Emphasis is on simple language, practical usage, minimum mathematics & no pre-requisites. All basic concepts of engineering are included as & where it is required. It is hoped that this book would be helpful to beginners, experienced users, managers, group leaders and as additional reading material for university courses.

A Year in Crafts is packed full of innovative projects that you'll really want to make. Be inspired with 52 beautifully simple step-by-step ideas to get you crafting throughout the year. Whatever the time of year, whether you begin in January with a handmade diary so you can start the year fresh and organized, or in March when you can revamp your home for the annual spring clean with a colorful rag rug or a vintage handkerchief throw, you'll find plenty of inspirtation in A Year in Crafts. In April get creative with your Easter table, and in May try some basic printing techniques for the pretty paper butterflies and moths. Get

outdoors in July with the Mexican keep-it-cool bags and if you're going on vacation, why not make some retro luggage labels to stand out from the crowd? September has pretty paper folders and a painted pencil case, and in October, it's time for Halloween, when you can celebrate with some glowing skull paper lanterns for your porch. November is the best time to start preparing for Christmas, so start making your gifts now and you won't have to be in a rush at the last moment. Don't forget to make the tiny clog advent calendar, which will make the holiday season really special. Make a beautiful festive stag in the first week of December, and as it gets closer to the big day, take some time out to create some delicate silver-leaf pinecones for your dinner table. You'll be truly inspired with Clare Youngs' lovely projects, so whether you want to make each project in turn as the year progresses, or dip in and out of the book, you'll never be bored with A Year in Crafts.

Annie Sloan Paints Everything Annie Sloan,2018-07-11 Decorative paint expert Annie Sloan shows how paint can transform any surface in your house.

Annie Sloan's Room Recipes for Style and Color Annie Sloan,2014-10-30 Find the right interiors recipe for your ideal home with Annie Sloan. World renowned paint effects guru and color expert Annie Sloan considers what makes a successful interior. Style and color lie at the heart of the matter, but both can be stumbling blocks for the amateur decorator. Annie explains how to achieve your chosen style by creating moodboards and analyzing key factors, such as scale, focus, display, and layout. She examines nine popular styles: French Elegance, Neoclassical, Traditional Swedish, Vintage Floral, Modern Retro, Boho Chic, Coastal Style, Rustic Country, and Warehouse Style. Discover, too, the key techniques you'll need to recreate these styles in your own home: color theory (Why do some colors work so well together? Why can the same color look dramatically different in different rooms?), using storytelling with pictures and collected treasures, style fusions (combining your favorite styles), and, of course, paint techniques. With stunning photography and packed with practical advice, this will soon become your interior style bible.
