Tuttle Concise Japanese Dictionary Samuel E. Martin, 2013-02-05 Every serious student of Japanese needs a reliable and user-friendly dictionary in their collection. Tuttle Concise Japanese Dictionary, now with 30% more content, is a completely updated dictionary designed for students and business people who are living in Japan and using the Japanese language on a daily basis. Its greatest advantage is that it contains recent idiomatic expressions which have become popular in the past several years and which are not found in other competing dictionaries. The dictionary has been fully updated with the addition of recent vocabulary relating to computers, mobile phones, social media and the Internet. Other special features that set this dictionary apart include: Over 25,000 words and expressions including idioms and slang. User-friendly layout with main entries in color. Complete Japanese-English and English-Japanese sections. Romanized forms and the Japanese script are given for all Japanese words. A guide to pronunciation helps the user to pronounce Japanese words correctly. Different senses of each word are distinguished by multiple definitions.

Japanese - English Bilingual Visual Dictionary DK, 2024-11-26 With more than 6,750 fully illustrated words and phrases in Japanese and English, along with a free bilingual audio app, DK's Japanese-English Bilingual Visual Dictionary is your essential companion to life in any Japanese-speaking country. You will learn all the words and phrases you need to buy food and clothes, talk about work and education, visit the doctor, go to the bank, use public transportation, and much more. Perfect for tourists, business travelers, and students, the dictionary is incredibly easy to follow, with thematically organized vocabulary so you can find closely related words on a particular topic. Words and phrases are illustrated with full-color photographs and artwork, helping to fix new vocabulary in your mind. A comprehensive, two-way index provides an instant reference point for new Japanese vocabulary. The supporting audio app enables you to hear all the words and phrases spoken out loud in Japanese. The app is easy to use and helps you learn, remember, and pronounce important vocabulary. The dictionary gives a pronunciation guide for every Japanese word, and you can use this alongside the app to perfect your pronunciation.

Rough Guide Phrasebook: Japanese Rough Guides, 2011-09-01 The Rough Guide Japanese Phrasebook is the definitive phrasebook to help you make the most of your time in Japan. Whether you want to book a hotel room, ask what time the train leaves or buy a drink from the bar, this new phrasebook has a dictionary of over 5,000 words and will help you communicate with the locals in no time. The free audio downloads, recorded by native Japanese speakers, can be downloaded. They

allow you to listen to the correct pronunciation of essential dialogues and are ideal for practicing before you go or while you're there. There's even a regional pronunciation guide and Rough Guide travel tips section, so wherever you are you can get around and speak the lingo. The Rough Guide Japanese Phrasebook has an extensive two-way dictionary packed with vocabulary and includes a helpful menu and drinks list reader, perfect for choosing the right dish in any restaurant. With this phrasebook you will never run out of things to say! Make the most of your trip to Japan with The Rough Guide Japanese Phrasebook.

Essential Japanese Periplus Editors, 2013-02-05 This portable, user-friendly Japanese language guide, phrasebook and dictionary is the cheapest and easiest way to learn Japanese before and during your trip. If you only want to purchase one Japanese language book—*Essential Japanese* is the way to go. Part of Tuttle Publishing's Essential Series, it is a great first introduction and beginner guide to the language of Japan and is also designed as a Japanese phrasebook, making it the most versatile Japanese language learning tool on the market. Perfect for business people or tourist traveling to Japan or for students who want to supplement their learning, this book's easy indexing feature allows it to act as a Japanese phrase book or as an English–Japanese Dictionary. A clever point to feature allows you to simply point to a phrase translated in Japanese without the need to say a word. You will soon find yourself turning to *Essential Japanese* again and again when visiting Japan and working or interacting with Japanese speakers. In this book you will find: Over 1500 practical sentences for everyday use. A glossary of over 200 terms and expressions. Latest Japanese vocabulary and Japanese phrases for smart phones, social media and more. Japanese characters (kana and kanji) as well as Latin script (romanji). Extensive information about Chinese grammar and pronunciation. This beginner Japanese book will help you to quickly and easily learn Japanese. Your ability to read Japanese, write Japanese, speak Japanese, and comprehend Japanese will be vastly improved without having to take an entire Japanese language class. Other titles in this bestselling series of phrasebooks include: *Essential Japanese*, *Essential Chinese*, *Essential Korean*, *Essential Tagalog*, and *Essential Arabic*.

HANAMONOGATARI NISIOISIN, 2019-10-08 Our sorry hero, his reformed girlfriend, and the amnesiac class president have all graduated from their high school out in the boondocks, and self-described Sapphist and ex-basketball ace Kanbaru, retired by reason of an “injury,” is starting her senior year and the narrator of this volume—her voice far more introspective than the smutty jock’s we thought we knew. Bereft of the company of her beloved mentors, the only other person around her

with any working knowledge of aberrations the junior Ogi Oshino, apparently a relative of the Hawaiian-shirted folklorist, she feels a bit alone and blue, and sick with dread that the devil residing in her left arm courtesy of the Monkey's Paw might act up again while she sleeps. Investigating a rumor that she fears might lead back to her, the former star ends up peering into an abyss of negativity called Roka—a “wax flower” to take the characters’ meaning. Trapped in a pit the like of which could only be escaped by the one girl who was able to pull off slam-dunks in her basketball nationals, can the penitent Kanbaru, however, still be aggressive?

NEKOMONOGATARI (WHITE) NISIOISIN,2019-10-08 Launching into new territory that the author hadn't mapped out when he embarked on the series, NEKOMONOGATARI (White) tells the tale of heroine Tsubasa Hanekawa from her own perspective, in her own voice—if that can hold true for a damaged soul who, depending on who you're asking, suffers from a split personality or a supernatural aberration. The bone-chilling brokenness of her household, where father and mother and daughter keep three separate sets of cookware in the same kitchen and only ever prepare their own meals, and the profound darkness nurtured in the genius schoolgirl's heart, come to life, if that is the word, through her self-vivisection. As for our customary unreliable narrator, Araragi, we seem to learn revealing tidbits about him now that we have an outside view of him at last, while his lady friends Senjogahara, Hachikuji, et al, freed from his predilection for proudly inane banter, show subtly new faces to us via their female interlocutor. Welcome to the Second Season.

Chinese-English Visual Bilingual Dictionary Angela Wilkes,2008-06 Look and learn to recall a wealth of everyday vocabulary in Chinese with this intuitive easy-to-use visual language dictionary Whether it's for business or pleasure, pick up 6,000 key Chinese words and phrases on a range of subjects: from shopping and eating out, to sport and beyond quickly and easily. Find every word you need to know fast using the clearly labelled colour illustrated scenes from everyday life. Plus, find helpful features on key Chinese nouns, verbs and phrases to improve your understanding. Pocket-sized so you can take it wherever your travels take you.

TSUKIMONOGATARI NISIOISIN,2019-10-08 Launching the third or “Final Season” of the international cult-hit series, Possession Tale returns the narrator's headset back to high school senior and amateur savior Koyomi Araragi, who used to eschew friendship once upon a time because it'd lower his “intensity as a human”—a loner's misgiving that was perhaps on the mark in a different way than he intended. At issue now is not the precarious fate of one of his cherished confrères, or rather consœurs, whom he'd aid, sight unseen, with a monster's resilience, but his own aberrant state and its

prolonged abuse. If everything comes with a bill, and if no man is an island, then is the price of self-sacrificing amity—and the bloodshed it ironically occasions—becoming inhuman for good? That being said! Our hero, whose first name means “calendar” but who has none in his room, sees no need to rush, so, on our way to the profound mysteries of the superhuman aspect, expect a super-shallow deconstruction of the alarm clock. On hand this volume to (hardly ever) humor his humor: his little sisters, a living doll of a corpse, and its violent mistress.

KABUKIMONOGATARI NISIOISIN,2019-10-08 How far does one go to help a lost child? In the case of returning narrator Araragi, the answer is too far, across the veil of time. Dutifully (if unknowingly) following up on Hachikuji’s cheeky foreshadowing, he concerns himself with his young lady friend and her fate in this installment of the cult-hit series, heroically unable, once again, to find his own way home. Thus the tale is also, or more so, about the journey itself, the dark honeymoon of a trip he takes into the past with the dweller in his shadow, Shinobu. Even among a cast that routinely disrespects chronology with their meta-commentary, she takes the cake, or the donut, by rewinding the clock for a perverse road movie, one that by and large goes nowhere, spatially. It’s Kabuki not as in the theater, but with the character for “tilt”—as in a slanted attitude toward the world, the posture of a bohemian. Or, perhaps, of a legendary vampire who once sought death, and of a high school senior who once tuned out life doing their dandy best to attend to an embarrassing wealth of aberrations in a provincial town.

ONIMONOGATARI NISIOISIN,2019-10-08 It, like the dark that makes up most of the cosmos, is not an aberration. Nonbeing can swallow you whole, yet if anything, it’s the anti-aberration. Darkness, in fact, is the Law, an executioner from whom a mark can try to run and hide, but only for so long. When it comes calling, the fortunate just might have the time to say goodbye. And the Darkness is—here now. Before ever visiting Japan to find a place to die, four centuries, indeed, before her failed suicide attempt, the legendary vampire Kissshot literally stepped foot on the land of the rising sun with an epic jump that ended a lonely sojourn in Antarctica. It was back in those days that the proud noble created her first thrall. It was then, too, that she first met the Darkness. Having messed with a more recent past with her help, and returning to the present to reunite with two more characters that look like little girls but are actually his elders, Thrall No. 2 Araragi reclaims the mic only to cede it in large part to the bloodsucking demon who goes by “Shinobu” these days. Her story, though, may not even be the most poignant one told herein.

French-English Bilingual Visual Dictionary DK,2017-03-30 The French English Bilingual Visual

Dictionary is your essential vocabulary guide to the world around you. With over 10,000 fully illustrated terms arranged by theme, language learning has never been easier. DOLIS Maki Kusumoto,2006-11-07 First published in Japan in 1998 by Shodensha Publishing Co., Ltd.

Happiness 6 Shuzo Oshimi,2017-12-19 A supernatural story of sexual awakening, growing up, and suburban vampirism, Happiness follows a dorky boy who is attacked by a girl in an alley. She sucks his blood and gives him a choice: life or death. He chooses life, but finds himself nearly overwhelmed by a new thirst and a fascination with the necks of his classmates... Praise for Flowers of Evil: A shockingly readable story that vividly--one might even say queasily--evokes the fear and confusion of discovering one's own sexuality. Recommended. -The Manga Critic A page-turning tale of sordid middle school blackmail. -Otaku USA Magazine By loving this manga I recognize what a sick and twisted individual I have become. While I can still say that I am not truly deviant, Flowers of Evil is a great reminder of my own thirst for power and my own personal corruption. -Otaku Champloo

Italian–English Bilingual Visual Dictionary DK,2017-04-18 Newly revised and updated, the Italian-English Bilingual Visual Dictionary is a quick and intuitive way to learn and recall everyday words in Italian. The Italian-English Bilingual Visual Dictionary introduces a range of useful current vocabulary in thematic order, using full-color photographs and artworks to display and label all the elements of everyday life – from the home and office to sport, music, nature, and the countries of the world – with panel features on key nouns, verbs, and useful phrases. The Italian-English Bilingual Visual Dictionary features: A quick and intuitive way to learn and remember thousands of words. A complete range of illustrated objects and scenes from everyday life. Fast and effective learning for any situation, from

home and office to shopping and dining out. Detailed index for instant reference. Handy size ideal for travel. The illustrations in the Italian-English Bilingual Visual Dictionary provide a quick and intuitive route to learning a language, defining the words visually so it is easier to remember them and creating a colorful and stimulating learning resource for the foreign-language and EFL/ESL student.

The Defeated Detective Shantnu Tiwari,2016-11-06 Many years ago, when Detective Royce was travelling in India, he found himself in the unfortunate position of being dead. Murdered, to be precise. But he made a contract with the Goddess of Death, which allowed him to return. This contract is what drives him now. Because he supposedly fails every single case he takes on, he's known as the Defeated Detective. Featuring 3 Defeated Detective Stories. RSVP Murder: A man predicts his own murder, and invites Royce to investigate. You are Invited to a Murder: Someone is going to be killed live on stage, unless Royce can stop it. Can he? The Dame Who Loved Me: The wife of a man Royce murdered wants his help in finding him.

Star Wars: The High Republic: Edge of Balance, Vol. 1 Shinya Shima,Justina Ireland,Shima Shinya,Daniel Older,2021-09-07 In the aftermath of the Hyperspace Disaster, young Jedi Knight, Lily Tora-Asi is assigned to help displaced civilians relocate to Banchii, a newly inhabited planet in the Inugg system far in the outer rim. Banchii is the site of a new Jedi temple led by Master Arkoff, Lily's Wookiee mentor, who imagines the temple as a place of peace for new inhabitants and for those who are traveling beyond. While balancing the arrival of incoming settlers with the strange mysteries of this remote outpost, Lily wonders if she's doing enough to bring peace to the galaxy. But when hidden dangers begin to emerge, the young Jedi will face her greatest challenge yet . . . -- VIZ Media
