If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

The Art of Cars Michael Wallis,Suzanne Fitzgerald Wallis,2015-11-03 In the tradition of the smash hits *Toy Story*, *A Bug's Life*, *Toy Story 2*, *Monsters, Inc.*, *Finding Nemo*, and *The Incredibles* comes the newest film from Pixar Animation Studios, *Cars*, the story of a race car who learns that it's not all about the fast lane. (In fact, life begins at the off-ramp.) Offering an insider's view into the artistic development of *Cars*, this gorgeously illustrated book celebrates the whimsical yet painstaking research that fueled Pixar's directors, production designers, and artists. Fascinating storyboards, full-color pastels, on-the-road snapshots, and hundreds of character sketches reveal the origins of Pixar's charming and clever automobile-based world. Gleaned from the team's trips to racetracks and down the famed Route 66, *The Art of Cars* is as colorful as its memorable story and characters, making this book—the only movie tie-in for adults—a spirited ride down the road of a masterful animated feature film. *Cars* is a Walt Disney Pictures presentation of a Pixar Animation Studios film. 2006 by Disney Enterprises, Inc./Pixar Animation Studios. The Himmler Brothers Katrin Himmler,2012-05-31 Katrin Himmler's cool but meticulous examination of the Himmler story reveals – in all its dark complexity – the gulf between the 'normality' of bourgeois family life and the horrors perpetrated by one member. This riveting family memoir provides essential new information on the private life and background of one of the twentieth- century's most notorious killers – not a lone evil executioner, but a middle-class family man, loved and fully supported by his respectable German family. It also offers a unique account of one women's courageous attempt to deal with her chilling inheritance. 'It is part of the creeping discomfort in reading her book to realise the incredibly ordinary middle-class background of these three sons of a rather pompous provincial headmaster and to see how, right until the end, he was almost able to convince himself

it hadn't happened like it had' Sunday Times 'You get a vivid sense of a particular kind of German conservatism - Roman Catholic, monarchist - and of how, weirdly, it found an outlet in the upstart, part-pagan thuggery of Nazism' Independent 'One can only admire her bravery . . . In a way, Katrin Himmler's book is not a story about the past, but one about the present. The most interesting details are the ones she gives of her own quest' Daily Telegraph
