The Complete Story of Sadako Sasaki Masahiro Sasaki,Sue DiCicco,2020-04-07

****Independent Publisher Book Award (IPPY) Winner** **Middle School Book of the Year-- Northern Lights Book Awards** **Skipping Stones Honor Award Winner**** For the first time, middle readers can learn the complete story of the courageous girl whose life, which ended through the effects of war, inspired a worldwide call for peace. In this book, author Sue DiCicco and Sadako's older brother Masahiro tell her complete story in English for the first time--how Sadako's courage throughout her illness inspired family and friends, and how she became a symbol of all people, especially children, who suffer from the impact of war. Her life and her death carry a message: we must have a wholehearted desire for peace and be willing to work together to achieve it. Sadako Sasaki was two years old when the atomic bomb was dropped on her city of Hiroshima at the end of World War II. Ten years later, just as life was starting to feel almost normal again, this athletic and enthusiastic girl was

fighting a war of a different kind. One of many children affected by the bomb, she had contracted leukemia. Patient and determined, Sadako set herself the task of folding 1000 paper cranes in the hope that her wish to be made well again would be granted. Illustrations and personal family photos give a glimpse into Sadako's life and the horrors of war. Proceeds from this book are shared equally between The Sadako Legacy NPO and The Peace Crane Project.

The Art & Life of Georgia O'Keeffe Jan Garden Castro,1995 Georgia O'Keeffe has dominated twentieth-century American art and proved herself one of its most original talents. Jan Garden Castro's *The Art & Life of Georgia O'Keeffe* offers the most complete account of both the artist's fascinating private life and her extraordinary career. In 1917 Alfred Stieglitz, pioneer photographer and impresario, organized O'Keeffe's first one-person exhibition, the last show at his famous gallery 291. She also became the subject of many of his finest photographic works and the center of his personal and professional world for the rest of his life. Her acceptance into the Stieglitz group brought her in touch with a wide circle of creative individuals, including Ansel Adams, Arthur Dove, John Marin, and Charles Demuth, to name a few. While learning from these colleagues, O'Keeffe also maintained a fierce independence from them. She had a certain mystique as a woman and an artist, and many of her contemporaries immortalized her in their work. She was the first woman artist whose face and life were of great interest to the public. Georgia O'Keeffe's career has spanned much of the history of modern art in America. Here are more than a hundred paintings, many rarely exhibited or reproduced, photographs of O'Keeffe at various stages of her life and of the landscapes that inspired her, and a text richly documented with letters and interviews. This material, combined with Jan Castro's insightful criticism, reveals O'Keeffe's legacy as an artist and the force of her intriguing personality.
