Riot Games,2019-11-05 Unlock the mysteries and magic within League of Legends, one of the world's most popular video games, in this encyclopedic and collectible companion book that explores the game's epic lore. Embark on a journey through the realms of Runeterra in this first-ever collectible companion book, published to celebrate the game's tenth anniversary. Spanning the farthest reaches of this universe and venturing into uncharted territory, this encyclopedic compendium connects players to the rich storytelling that inspires all the action. Inside, you'll find: An expedition through eleven regions, chronicling conflicts, entrenched rivalries, and covert alliances Hundreds of illustrations, including never-before-seen maps and artwork Insights into the heroes, flora, fauna, architecture, politics, and technologies from all corners of this world Original narratives that bring the cultures of Runeterra to life

League of Legends is an online game played by millions of people around the world, offering endless engagement with an expanding roster of champions, frequent updates, and a thriving esports scene. This volume is an essential reference for fans everywhere.

The Goetia Devils REV Cain,2021-02-18 A compendium for

occultists, demonologists, and students of the Left-Hand Path, The Goetia Devils offers the reader an illuminating glimpse of the Goetia spirits through the lens of world-renowned author, Rev. Cain. The Goetia Devils is not a translation of the ancient Ars Goetia manuscript - rather, it is an in-depth, fresh look at the devils that fill its infamous hierarchy. In the pages of this book, the 72 Goetia devils finally breathe an air of esteem, dignity, and well-deserved celebration. This book details all vital information regarding each of the Goetia spirits - sigils, ritual elements, names, blessings, and further. As well, The Goetia Devils offers the reader an unparalleled wealth of wisdom regarding the origins and nature of these hellbound spirits.
