Lover's Knot Quilt Eleanor Burns, 2008 To celebrate her 30th anniversary and the marriage of her oldest son, Eleanor perfected the Lover's Knot pattern using her signature 2 1/2 strips. Add a touch of romance to any room with this lovely quilt. The elegant pattern

uses two strips intertwined to make a knot. The graceful, flow of the quilt is made with two basic, strip pieced blocks. By using color and value in your fabrics, the Lovers Knots stand out to show unity. The blocks are set a point for a dramatic effect and corners can either be squared or diagonal. Eleanor offers step by step illustrations and instructions to direct the quilter to a successful finish. There are yardage and cutting charts for all 5 quilt sizes and border options for a personalized quilt. Included with the Lovers Knot quilt pattern, Eleanor gives directions for making a matching dust ruffle with tips on measuring and sewing the ruffle. A miniature wallhanging and long and short table runners are bonus projects in the book. They are pieced with narrow 1 1/2 strips for a charming petite finish.

Playground Jennifer Saginor, 2009-03-17 In the vein of *Running with Scissors*, *Playground* is the glitzy, glamorous, and surreal true story of a young girl who grew up inside the Playboy Mansion and never learned where the party stopped and the real world began. You are six years old. Every day after school your father takes you to a sprawling castle filled with exotic animals, bowls of candy, and half-naked women catering to your every need. You have your own room. You have new friends. You have an uncle Hef who's always there for you. Welcome to the world of *Playground*, the true story Jennifer Saginor who grew up inside the Playboy Mansion. By the time she was fourteen, she'd done countless drugs, had a secret affair with Hef's girlfriend, and was already losing her grip on reality. Schoolwork, family, and ordinary people had no meaning behind the iron gates of

the Mansion, where celebrities frolicked, pool parties abounded, and her own father—Hugh Hefner's personal physician and best friend, the man nicknamed Dr. Feel Good—typically held court. Every day was a party, every night was an adventure, and through it all was a young girl falling faster and faster down the rabbit hole—trying desperately hard not to get lost.

Introductory Grammar of Amharic Wolf Leslau,2000 This book closes the gap for beginners who want to study the Amharic language and had difficulties in finding the right grammar for this purpose: The first grammar of Amharic, the national language of Ethiopia, was published by Hiob Ludolf in 1698. The Amharic grammar published by Praetorius in 1879 is based on Amharic religious texts and on scattered material, usually composed by missionaries. A milestone in the study of Amharic is Marcel Cohen's *Traite de langue amharique* (1936), but this grammar, too is not completely suited for beginners since the author's generalizations are at times aimed at linguists. The grammar that comes closest to

the concept of a beginner's grammar is that of C.H. Dawkin (1960), yet this grammar is extremely short, does not give examples and does not introduce the student to the intricacies of the language. The new book gives all the grammatical forms and the sentences of the present grammar in Amharic script and in phonetic transcription. The illustrative examples have a free and a literal translation. This procedure should likewise prove to be useful for the Semitist as well as for the general linguist.
