MeadowHaven Adele Lorienne Sessler,2018-10-22 Let your imagination wander, swim and soar through an enchanted woodland kingdom in this beautiful 54-page coloring book!

Francis Ford Coppola's The Godfather Trilogy Nick Browne,1999-11-13 The Godfather trilogy is among the most significant works of Hollywood cinema of the last quarter century. They provide a richly complex look at a whole segment of American life and culture spanning almost the whole century. In six essays, written especially for this volume, The Godfather trilogy is re-examined from a variety of perspectives. Providing analyses on the form and significance of Coppola's achievement, they demonstrate how the filmmaker revised the conventions of the American crime film in the Viet Nam era, his treatment of the capitalism of the criminal underworld and its inherent violence, the power struggles within Hollywood over the film, and the contribution of opera to the epic force and cinematic style of Coppola's vision of an American criminal dynasty. The Godfather articulates the themes, styles, mythologies, performances, and underlying cultural values that have made the film a modern classic.

MiniEco Kate Lilley,2013 MiniEco is the sensational craft blog of Kate Lilley. With over 250,000 followers it has taken on cult status in the international craft community, and that is purely down to Kates fresh, contemporary and beautifully explained and executed craft projects. With a book for children already under her belt, this publication focuses more on adults with 33 pieces including paper gems, an origami lampshade, macrame hangings, pop-up pixel cards, hama bead candle holders, and tie-dyed furoshiki cloths. The ideas range in complexity from the simple to the advanced, but each one is totally unique and has never before been published. The look of the book will reflect the immaculate, Japanese-inflected minimalism of the MiniEco website, with some high-end production finishes including a die-cut, dust-jacketed paperback binding and boldly pared-back photography. QR codes will link to animated gifs of the craft being made.

Cigar-Box Dioramas: A "How-to-do-it" Handbook Arminta Neal,2023-11-11 Cigar-Box Dioramas: A How-to-do-it Handbook by Arminta Neal. Published by Good Press. Every page offers full colour illustrations and written insights into the concept and details behind the costumes. They offer a new twist on some much loved characters across numerous iconic series and is a source of inspiration for anyone with a love of all things geeky!

The Unicorn Project Gene Kim,2019-11-26 The Phoenix Project wowed over a half-million readers. Now comes the Wall Street Journal Bestselling The Unicorn Project! “The Unicorn Project is amazing, and I loved it 100 times more than The Phoenix Project...”—FERNANDO CORNAGO, Senior Director Platform Engineering, Adidas “Gene Kim does a masterful job of showing how ... the efforts of many create lasting business advantages for all.”—DR. STEVEN SPEAR, author of The High-Velocity Edge, Sr. Lecturer at MIT, and principal of HVE LLC. “The Unicorn Project is so clever, so good, so crazy enlightening!”--CORNELIA DAVIS, Vice President Of Technology at Pivotal Software, Inc., Author of Cloud Native Patterns This highly anticipated follow-up to the bestselling title The Phoenix Project takes another look at Parts Unlimited, this time from the perspective of software development. In The Unicorn Project, we follow Maxine, a senior lead developer and architect, as she is exiled to the Phoenix Project, to the horror of her friends and colleagues, as punishment for contributing to a payroll outage. She tries to survive in what feels like a heartless and uncaring bureaucracy and to work within a system where no one can get anything done without endless committees, paperwork, and approvals. One day, she is approached by a ragtag bunch of misfits who say they want to overthrow the existing order, to liberate developers, to bring joy back to technology work, and to enable the business to win in a time of digital disruption. To her surprise, she finds herself drawn ever further into this movement, eventually becoming one of the leaders of the Rebellion, which puts her in the crosshairs of some familiar and very

dangerous enemies. The Age of Software is here, and another mass extinction event looms—this is a story about rebel developers and business leaders working together, racing against time to innovate, survive, and thrive in a time of unprecedented uncertainty...and opportunity. “The Unicorn Project provides insanely useful insights on how to improve your technology business.”—DOMINICA DEGRANDIS, author of Making Work Visible and Director of Digital Transformation at Tasktop ——— “My goal in writing The Unicorn Project was to explore and reveal the necessary but invisible structures required to make developers (and all engineers) productive, and reveal the devastating effects of technical debt and complexity. I hope this book can create common ground for technology and business leaders to leave the past behind, and co-create a better future together.”—Gene Kim, November 2019

Super Mario Coloring Book Color Books,2019-05-02 Fun coloring book for kids who love Super Mario! Perfect for your child. Printed single side on white paper. High-quality coloring book for kids. The Ephemeral Museum Francis Haskell,2000-01-01 In this illustrated book, an eminent art historian examines the intriguing history and significance of the international art exhibition of the Old Master paintings.

If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

We Are Paper Toys: Print-Cut-Fold-Glue-Fun Louis Bou,2010-06-15 We Are Paper Toys! presents thirty-two of the finest paper toy designers in the world. Each artist gives us a glimpse of their world and explains their passion for paper toys through a personal interview.
