The Prop Builder's Molding & Casting Handbook

Thurston James, 1989-11-15 The Prop Builder's Molding & Casting Handbook & break; & break; This is the first book to contain, in one comprehensive volume, every molding and casting procedure of use to the theater props builder (no matter what his or her level or proficiency). The author demonstrates the techniques involved in using more than thirty different materials ranging from papier-mache to breakaway glass. & break; & break; While the use of some materials—plaster and polyester resins, for example—is covered to some extent in other publications, information on the selection and use of rubber materials (latex, neoprene, silicone, and the urethanes) and the procedure for making breakaway windows and bottles is available only in The Prop Builder's Molding & Casting Handbook. & break; & break; Written in an easy, conversational style, the book will be useful to anyone involved with theater properties, puppetry, and costuming (as professionals or amateurs). It will also serve admirably the needs of students taking classes in those subjects.

& break; & break; Completing the book is a special section on designing and building a vacuum forming machine suitable for use in constructing theater props. More than 450 photographs illustrate the step-by-step procedures explained throughout the entire text.

Original Grin Ron English, 2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

If Anything Happens I Love You Will

McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting.

Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth

century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Rain of the Ghosts Greg Weisman, 2013-12-03 Rain of the Ghosts is the first in Greg Weisman's series about an adventurous young girl, Rain Cacique, who discovers she has a mystery to solve, a mission to complete and, oh, yes, the ability to see ghosts. Welcome to the Prospero Keys (or as the locals call them: the Ghost Keys), a beautiful chain of tropical islands on the edge of the Bermuda Triangle. Rain Cacique is water-skiing with her two best friends Charlie and Miranda when Rain sees her father waiting for her at the dock. Sebastian Bohique, her maternal grandfather, has passed away. He was the only person who ever made Rain feel special. The only one who believed she could do something important with her life. The only thing she has left to remember him by is the armband he used to wear: two gold snakes intertwined, clasping each other's tails in their mouths. Only the armband . . . and the gift it

brings: Rain can see dead people. Starting with the Dark Man: a ghost determined to reveal the Ghost Keys' hidden world of mystery and mysticism, intrigue and adventure.

Athletico Mince Bob Mortimer, Andy Dawson, 2017 For the first book inspired by their popular podcast, Bob Mortimer and Andy Dawson considered producing an authoritative guide to the past, present and future world of football. But, as in the podcast, they got a bit side-tracked. As well as bringing you some (more or less) completely genuine football facts, Bob and Andy speculate about the lifestyle of baked bean-loving, yellow snake-owning ex-England boss Steve McClaren, and investigate the 'Gangs of the EPL', where football meets infantile bullying. There's also input from the Secret Soccer Superstar - a former player who lifts the lid on what it's really like to be a top, top pro - and the lyrics from some of Bob's most memorable Scottish songs, so that you can sing them to your children, elderly relatives or, indeed, yourself, should you need to be soothed after learning about Robson Green's Extreme Bangers. In summary, it's a bit of a mess - but - it's a beautiful, glorious, hilarious mess and if you're not reduced to at least one convulsion while reading it, Bob and Andy are going to be very disappointed with you.
