A Court of Silver Flames Sarah J. Maas,2021-02-16 Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

How to Make Adorable Baby Animal Dolls Jonni Good,2013-06 In this book the author shows you exactly how to make your own adorable baby animal collector's dolls, leading you through the entire process every step of the way. Your dolls won't cost much to make, and every doll will be an original, one-of-a-kind work of art. Since no two dolls ever come out exactly alike, each doll will have it's own personality and character. You won't have to learn how to make molds for the doll heads, because each one is hand-sculpted over a simple armature. You don't need a kiln, because you'll be using home-made air-dry clay instead of porcelain. The resulting heads are seamless, hollow, and surprisingly strong. The bodies and ears are made out of soft, huggable cotton velour, and the toes are sculpted with a few easy stitches. Adorable!

Original Grin Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

From the Graves of Babes Kevin Lake,2020-06-28 The unsolved disappearance of his ten-year-old daughter, Samantha, drives MCI executive, Patrick Hanna, to drinking, divorce, and a desperate attempt to save his shattered life. His plan is simple: get out of the city and go back to Fork Mountain, stay in the old family cabin above Richwood, West Virginia, a retreat he knew with his recently-deceased father. Avoid human contact; try to heal his heart and mind. But Patrick soon finds he's not alone on the mountain. Mysterious visits from several little girls soon become regular. And no one in the area, including Ginny, his mother, can account for them or their families. It's as if they don't exist. Patrick rekindles an old flame with local librarian, Heather, his high school sweetheart, and soon finds out that Caleb, her blind son, can also see and communicate with the girls. The only other person who can is Phillip Ables, an old, Fork Mountain hermit and former convict who served twenty years for his alleged link to the disappearance of several children a generation before. As time goes by, Patrick learns that the girls are ghosts of missing children, most of whom disappeared on Fork Mountain. They're coming to him for help because, even in death, their abductor still torments them.Patrick struggles to solve their mystery in the midst of confronting his drinking and depression. To free the girls from abuse so they can pass on to eternity, he must learn the identity and motive of their killer. Was Phillip Ables guilty of the crimes for which he'd been convicted? Or was another party responsible; someone like the girls, who's already dead? As if his own personal demons weren't enough, he's now seeking peace for tormented ghosts.Based on historical fact, From the Graves of Babes is set in the real community of Richwood, West Virginia, and involves an actual secluded, unmarked gravesite where paranormal activity has long been witnessed and recorded. It is sure to be the most read, West Virginia ghost tale for generations to come.
