**JoJo's Bizarre Adventure: Part 3--Stardust Crusaders (Single Volume Edition), Vol. 5 Hirohiko Araki,2006-09-05** An epic horror-action-adventure! Once there was a mighty bloodline of heroes: the Joestars. In the 1880s, Englishman Jonathan Joestar gave his life to defeat Dio, a megalomaniacal vampire. Now, 100 years later, Dio is back, and Jonathan's descendants must travel to Egypt to destroy their ancestral enemy once and for all. Pursued by the deadly treads of Wheel of Fortune, the heroes cross from India to Pakistan, where they spend the night in an ancient, fog-shrouded town. But little do they know that they have walked into the hands of their enemy...the twin right hands of Enyaba Geil, who wants bloody revenge on the men who killed her son! Invaded by Enyaba's stand Justice, the heroes' own bodies turn against them, while an army of zombies slouches closer. Will they escape...or will

they be dead by dawn?

**Burnished Rows of Steel** Jeremy Davies, 2016-01-05 Most who read the Declaration of Independence find three foundational liberties promised to our citizens: life, liberty, and the pursuit of happiness. An increasing number of citizens seem to be discovering the fourth: the right to alter or abolish a form of government that leads invariably to tyranny. Since leaving the military and his security contracting work behind, Dave has been preparing himself for the time when exercising the right to alter or abolish may become necessary. When he is approached on behalf of some powerful men who are prepared to risk their fortune to strike a blow against the political tyranny embodied by the president, Dave is prepared to accept the role of assassin. As he prepares to accept the mission of a lifetime, an alternate narrative begins to unfold. He struggles to discover whether the hit will be on behalf of a besieged gun maker or whether it has been orchestrated by members of the president's own party, who feel that his death would rescue the chances of their party heading into an election. As the motive becomes clear, so does Dave's course of action. He is caught in a race against time to thwart their plans, not for the leader of a country but for the life of a friend.
