Traction Man Meets Turbo Dog Mini Grey,2011-08-31 THAT SQUARE-JAWED CAN-DO action toy, Traction Man, is back in another hilarious adventure. The little boy, Traction Man, and his brave pet, Scrubbing Brush, are inseparable—until the boy's father throws the “unhygienic” Scrubbing Brush in the trash and replaces it with a “real” toy, the battery-operated TurboDog. It bleeps, speaks, and squeaks—but is not very smart. So Traction Man, wearing his airtight Astro-suit and armed with a bottle of SuperStrong Germo, enters the trash bin and rescues Scrubbing Brush from the Evil Bin Things (pizza crusts, spaghetti, and potato peels with eyes and mouths that hiss “Stay with us”). The Battle of the Bin is not to be missed—nor is the ignominious demise of TurboDog! With this satisfying sequel, Mini Grey has scored another smashing victory for imaginative play.

Grocery Shopping with My Mother Kevin Powell,2022-12-06 “Kevin Powell returns with a poetic time capsule written with love in honor of his mother's evolution. Powell investigates the nature of our country's oppression through the generational wounds survived and passed on. These poems are a testament to the healing work of Kevin Powell, as they revel in the power of forgiveness, abundance, and lineage.” —Mahogany L. Browne, Lincoln Center's inaugural poet in residence and author of Vinyl Moon When Kevin Powell's elderly mother became ill, he returned home every week to take her grocery shopping in Jersey City. Walking behind her during those trips, Powell began to hear her voice, stories, and language in a new way—examining his own healing while praying for hers. Grocery Shopping with My Mother originated as social media posts about these visits and evolved into a breathtaking collection of thirty-two new poems, crafted like an album, plus four bonus tracks celebrating a great love of wordplay. Culturally rooted in the literary traditions of Ntozake Shange and Allen Ginsberg, Powell's poems honor the likes of V (formerly Eve Ensler), bell hooks, and Sidney Poitier. Grocery Shopping with My Mother dives into the complexities of relationships and contemporary themes with honesty and vulnerability. Creatively and spiritually inspired by Stevie Wonder's Songs in the Key of Life, Powell's poems shift in form and style, from praise chants to reverential meditations to, most importantly, innovative hope.

Original Grin Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
