Trial of the Clone Zach Weinersmith, 2012-10-09 Trial of the Clone is a choosable pathway gamebook that allows the reader to make choices, interact with the world, and otherwise navigate through over 500 scenes and thousands of potential pathways. Readers can choose to simply read through the story or interact more fully with the book's game by keeping track of statistics, items, and battles. Readers are incentivized to reread the book many times to explore other pathways or to catch some of the many secrets the author has hidden throughout the book. The reader plays as a clone who sets out to find his place in the world, solving challenging puzzles and fighting monsters along the way. Weinersmith's writing is characteristically irreverent and satirical, painting a dystopian future world filled with comical, colorful characters and clever surprises. Trial of the Clone is Zach Weinersmith's first full-length book, and is evident of his sprawling understanding of literature, science, logic, philosophy, and technology. Weinersmith is the sole creator behind Saturday Morning Breakfast Cereal, a daily comic that boasts over 250,000 daily readers and served more than 500,000,000 comics in 2011. This book is published by Breadpig, whose publisher profits will be donated to Fight for the Future.

The Forgotten Soldier Brad Taylor, 2017-01-03 In this heart-stopping thriller from New York Times bestselling author Brad Taylor, Pike Logan returns with his most dangerous and personal threat yet: a Taskforce Operator gone rogue. For years, the extralegal counterterrorist unit known as the Taskforce has worked in the shadows, anticipating and preventing attacks around the globe. Created to deal with a terrorist threat that shuns the civilized rule of law, it abandoned the same, operating outside of the US Constitution. Though wildly successful, it was rooted in a fear that the cure could be worse than the disease. And now that fear has come home. A Special Forces soldier is killed on an operation in Afghanistan, and complicit in the attack is a government official of an allied nation. While the US administration wants to forget the casualty, one Taskforce member will not. When he sets out to avenge his brother's death, his actions threaten to not only expose the Taskforce's activities, but also destroy a web of alliances against a greater evil. Pike Logan understands the desire, but also the danger. Brought in to eliminate the risk, he's now forced to choose between his friend and the administration he's sworn to protect, while unbeknownst to either of them, the soldier's death is only the beginning...
