English Pastoral James Rebanks, 2021-09-02 As a boy, James Rebanks's grandfather taught him to work the land the old way. Their family farm in the Lake District hills was part of an ancient landscape- a patchwork of crops and meadows, of pastures grazed with livestock, and hedgerows teeming with wildlife. And yet, by the time James inherited the farm, it was barely recognisable. The men and women had vanished from the fields; the old stone barns had

crumbled; the skies had emptied of birds and their wind-blown song. English Pastoral is the story of an inheritance- one that affects us all. It tells of how rural landscapes around the world were brought close to collapse, and the age-old rhythms of work, weather, community and wild things were lost. And yet this elegy from the Lake District fells is also a song of hope- how, guided by the past, one farmer began to salvage a tiny corner of England that was now his, doing his best to restore the life that had vanished and to leave a legacy for the future. This is a book about what it means to have love and pride in a place, and how, against all the odds, it may still be possible to build a new pastoral- not a utopia, but somewhere decent for us all.

The Tunnel Calamity Edward Gorey, 1984 Stretches out to reveal a strange creature, long thought extinct, roaming through a tunnel between two small English towns.

GLEEM Freddy Carrasco,2024-04-09 Imbued with cyberpunk attitude and in the rebellious tradition of afrofuturism, *GLEEM* is drawn with a fierce momentum hurtling towards a future world. Carrasco's distinct cinematic style layers detailed panels and spreads, creating a multiplicity of perspectives, at once dizzying and hypnotic. Vignettes unspool in proximity to our own social realities and expand into the outer layers of possibility. Whether in the club or a robot repair workshop, the characters in these three interconnected stories burst across frames until they practically step off the page. A boy becomes bored at church with his grandmother until he tries a psychedelic drug. A group of friends are told that they need a rare battery if they want any chance of reviving their friend. Street style and cybernetics meet and burst into riotous dancing. Kindness and violence might not be as distant from each other as we think. *GLEEM* unsettles with a confidence that could make you believe in anything.

theorem a line is

tangent to a circle if

and only if the line is

perpendicular to the

radius at the point of

tangency you will need to draw a circle

a tangent line and

show that the

measure of the angle

made between the

circle and the radius

at the point of

tangency is 90
