Faith and Science with Dr. Fizzlebop Brock Eastman,2021-11-09 Faith and Science with Dr. Fizzlebop features 52 easy experiments kids and parents can do together once a week or at their convenience. Each experiment will have a how-to video featured in the free Fizzlebop Labs web series launching in fall '21. Building on Dr. Fizzlebop's desire to show kids how faith and science connect, each experiment connects to a devotional that allows kids to go deeper and learn about God's amazing design for everything around them. On average, each experiment takes 5 to 10 minutes and the devotional is an additional 5 minutes. Our expert and guide, Dr. Phineas Einstein Fizzlebop, is a bit quirky and maybe a little cheesy at times, but he is passionate about three things: God, science, and fizz—and all come together wonderfully at Fizzlebop Labs. Guest scientists (families) will journey through the Bible in an extravaganza of experiments and Bible studies full of fun, facts, and fizz.

European Pack for Visiting Auschwitz-Birkenau Memorial and Museum Alicja Białecka,2010-01-01 Taking groups of students To The Auschwitz-Birkenau Memorial and Museum is a heavy responsibility, but it is a major contribution to citizenship if it fosters understanding of what Auschwitz stands for, particularly when the last survivors are at the end of their lives. it comes with certain risks, however. This pack is designed for teachers wishing to organise student visits to authentic places of remembrance, and For The guides, academics and others who work every day with young people at Auschwitz. There is nothing magical about visiting an authentic place of remembrance, and it calls for a carefully thought-out approach. To avoid the risk of inappropriate reactions or the failure to benefit from a large investment in travel and accommodation, considerable preparation and discussion is necessary before the visit and serious reflection afterwards. Teachers must prepare students for a form of learning they may never have met before. This pack offers insights into the complexities of human behaviour so that students can have a better understanding of what it means to be a citizen. How are they concerned by what happened at Auschwitz? is the unprecedented process of exclusion that was practised in the Holocaust still going on in Europe today? in what sense is it different from present-day racism and anti-Semitism? the young people who visit Auschwitz in the next few years will be witnesses of the last witnesses, links in the chain of memory. Their generation will be the last to hear the survivors speaking on the spot. The Council of Europe, The Polish Ministry of Education And The Auschwitz-Birkenau Memorial and Museum are jointly sponsoring this project aimed at preventing crimes against humanity through Holocaust remembrance teaching.

Holiday Crafts ,2006

Dear Elio Franco Marabelli,2021-03-16 The world and creativity of Elio Fiorucci seen from the inside and recounted by those who took part in his fashion adventure. The fashion and stores created by Elio Fiorucci in the late 1960s were a great creative hotbed for the following decades, anticipating many of the trends that emerged later and the ideas of the next generation of designers. Elio Fiorucci's innate curiosity led him to explore the unknown, to broaden his vision towards new currents of freedom of expression, beyond the borders of his country, in search of other energies. This book recalls his new, joyful, mocking, free realm, and the conception of unconventional clothing that upset the rules of the bourgeois, conformist world of the 1960s. It is a choral fresco, told through the letters of those who worked with him, including absolute beginners, professionals who knew him and shared his passions, family, and friends: architects such as Antonio Citterio and Michele De Lucchi, photographers, artists (Andy Warhol and Keith Haring, who decorated the entire Milan store in 1983), singers, and actors who attended his stores and parties. Direct testimonials come from the likes of Biba (Barbara Hulanicki), Oliviero Toscani, Donna Jordan, Terry Jones, Italo Lupi, Alessandro Mendini, Paul Caranicas and Joey Arias. The book also features a preface by Janie and Stephen Schaeffer, the current brand owners.
