One Degree of Change Larry Jackson, 2015-01-23 This book was written for the person who understands that there is so much more for them to accomplish but just can't seem to breakthrough. One of the traps in life is being satisfied with a 211 degree life. This is a very good life and many would characterize it as a successful life. But for the person who should be living at 212 degrees they feel like the oyster with sand in its shell, very agitated. Many times they can't put their finger on what is wrong or what is needed. Even the Christian living a good life before God can feel that something is missing. The thing missing is their purpose. They love the Lord and all that He provides but they realize there is more they should be doing for Him. If you feel like you are not walking in your purpose then this is the book for you! One Degree of Change: How to Succeed Now! will open your heart and mind to just how close you really are to accomplishing what the Lord has designed you for. It will provide much needed answers for your advancement. Because you are only one degree from the success you desire.

The Dalek Factor Simon Clark, 2004-02 The last book about the Daleks came out in 1998. Simon Clark's tale is a genuinely frightening journey and a dark exploration of horrors that would disturb the Daleks themselves. The Daleks in this story are menacing and completely unlike any before them.

Witch High Denise Little, 2008-10-07 High school is different for everyone. For some, it's a time to shine, and for others, a time to survive. Then there are the students who attend those special schools for the gifted. But what if there was a school that catered to those rarest of students—those who can do magic? These fourteen tales explore the challenges that students of the magical arts may face in a high school of their very own. If you think chemistry is tough, try alchemy. If you ever fell victim to a school bully, how would you deal with a bully gifted with powerful magic? And if you needed more time to study, what spell could give you all the time you desired? These are just a few of the magical adventures that will await you when you enter Salem Township Public High School #4—otherwise known as Witch High...

Contemporary Erotic Drawing Aldrich Museum of Contemporary Art (Ridgefield, Conn.), 2005 Encompassing the subjects of sexuality and erotica, The Aldrich Contemporary Museum presents this catalogue from the Contemporary Erotic Drawing exhibition, featuring more than 35 artists. In describing the immediacy and intimacy of drawing, Joseph Beuys once stated, Drawing is thinking, and indeed, for many artists, drawing is a highly personal and revealing process in which raw ideas are expressed, allowing spontaneous imagery or thoughts to emerge. And so, to examine the subject of eroticism and human sexuality, it seems appropriate to examine these 100 drawings. Many of the images seem to work against images in the media, and so define what is erotic and titillating in their own terms. This 204-page catalogue includes drawings in various media by artists such as Ida Applebroog, Cecily Brown, Leon Golub, Tracy Nakayama, Mark Dean Vaca and Su-en Wong; features two essays by Sue Taylor and Wayne Koestenbaum; and biographical information on the artists.
