Original Grin Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has

bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

Postcolonial Preaching HyeRan Kim-Cragg, 2021-02-11 In *Postcolonial Preaching*, HyeRan Kim-Cragg argues that preaching is the act of dropping the stone of the Gospel into a lake, making waves to move hearts and transform the world wounded by colonial violence. The ripple effect serves as a metaphor and acronym to guide to preaching that takes postcolonial concerns seriously: Rehearsal, Imagination, Place, Pattern, Language and Exegesis (RIPPLE). Kim-Cragg explains each "ripple" in this approach and exercise of creating and delivering sermons. The author delivers fresh insights while drawing on some traditional homiletical perspectives in the service of a homiletic that takes the reality of racism, migration, and environmental degradation seriously. Moreover, Kim-Cragg demonstrates the postcolonial sermon in action by including annotated homilies. This book contributes to the very first wave of the application of postcolonial scholarship in preaching. Given the continuing extent and influence of colonial worldviews and legacies, this approach should become a staple in preaching over the next generation.

Kill Audio Claudio Sanchez, 2014-08-20 ROCK 'N' ROLL WILL DIE! Kill Audio, on the other hand, can't. An immortal troll charged with balancing music in the land of Sight & Sound, Kill Audio seeks out the musical fathers of every genre...but someone's always one step ahead of him. With his team of a talking pillow, a skeleton in a beaver suit, and a drug-addled chicken, will Kill Audio be able to restore the balance before it's too late? Icons Unmasked Alex Solis, 2016-02-14 Ever wonder if the characters you see on TV, in movies and in comic books are hiding something behind their

masks? That perhaps they're really someone -- or something -- else? When pop culture is such a huge part of our lives, we're bombarded with these characters everywhere we turn. Each time we see a new character in a movie, video game or commercial, we feel a sudden sense *deja vu*. There's something about their goofy grin, that creepy laugh, or those boogly eyes that feels eerily familiar...This got me thinking. Is anything we see ever 100% original? Or is everything we experience really just our minds piecing together past experiences to create something that feels unique and new? In *Icons Unmasked*, I'm trying to bring a new sense of discovery to characters everyone has seen hundreds of times. I wanted to recreate the experience of what it might be like to see one iconic character from your childhood for the first time as an adult. Proceed at your own caution and keep in mind the following illustrations cannot be unseen. Your childhood might possibly be destroyed forever

Born from Lament Katongole, Emmanuel, 2017

Profound reflection on lament and hope arising out of Africa's immense suffering There is no more urgent theological task than to provide an account of hope in Africa, given its endless cycles of violence, war, poverty, and displacement. So claims Emmanuel Katongole, a recognized, innovative theological voice from Africa. In the midst of suffering, Katongole says, hope takes the form of arguing and wrestling with God. Such lament is not merely a cry of pain it is a way of mourning, protesting, and appealing to God. As he unpacks the rich theological and social

dimensions of the practice of lament in Africa, Katongole tells the stories of courageous Christian activists working for change in East Africa and invites readers to enter into lament along with them.
