If Anything Happens I Love You Will McCormack, Michael Govier, 2022-09-27
Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief,

the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Saints Around the World Meg Hunter-Kilmer,2021-08-16 The lives of the Saints are one of the most powerful ways God draws people to himself, showing us the love and the joy we can find in him. But so often, these Saints seem distant—impossibly holy or dull or unlike us in race and age and state in life. In Saints Around the World, you'll meet over one-hundred Saints from more than sixty countries, including Saints with different disabilities, strengths, and struggles. The beautiful illustrations and captivating

storytelling will introduce you and your children to new heavenly friends while also helping you fall more in love with Jesus. Each story in this book is written not only to capture the imagination but also to speak about God's tremendous love and our call to be saints. There are stories in *Saints Around the World* for when you feel like life isn't fair, when people are being unkind to you, when you've made a terrible mistake, when you're struggling at school, when prayer is hard. And there are stories of shouting down Nazis, of fleeing a murderous villain, of making scientific discoveries, of smoking a cigar while enemy soldiers amputate your leg. There are scared Saints, brilliant Saints, weak Saints, adventurous Saints, abused Saints, overjoyed Saints, disabled Saints—and the point of every one of them is the love of God. Whether you're checking the map to find Saints who look like you or perusing the extensive indices to find Saints with your skills or struggles, you'll find countless stories in this book that remind you how very possible holiness is.
