📖 THE LOVEBIRD Pamela Leis Higdon,2007-08-27 This is our seventh set of Happy, Healthy Pet titles. Like the others, they are books pet owners can turn to for the essential information they need to raise a healthy, happy pet. All books contain information on: feeding grooming housing health care what to expect from the pet basic training As our series expands and focuses on different kinds of pets, the emphasis remains on making the pet a companion. Owners of more unusual pets will particularly appreciate the expert advice in these books because professional care for exotic animals can be hard to come by. As always, the instruction on the books is from experts—people who know their pets intimately but always remember what it was like to have one the first time. Happy, Healthy Pet guides are rich with professional quality color photos and are designed to be enjoyable and easy to learn from.

📖 TRIAL OF THE LOVEBIRD BUTCHER Lumen Reese,2021-05-12 In New Haven, Connecticut a decades-old cold case resurfaces. As charges are brought, the details grow stranger and stranger... An antiques dealer and amateur children’s magician named Edward Fox is charged with three murders, dating back to the 1980’s, when he should have been only a child. Fox is a wanderer, and a fall-down drunk. The case’s unnatural timeline combined with one alleged victim’s status as a teen beauty queen set the stage for the State of Connecticut v. Fox to become the trial of the century. Maggie Stowe -insomniac, private investigator, dream thief- has been following Fox for months. She is a crusader for women and girls and can still hear them screaming in Fox’s dreams every night. But reality has begun to blur for the exhausted Maggie. Soon she is unsure of anything except for the fact that she is a pawn in a perilous game. The trial becomes a battle of wills. A jury and a nation are asked to consider that Fox has been around and interfering with the lives of humans for a very long time; back to the Depression-era streets of Chicago, through decades with a traveling circus, and during the Selma to Montgomery marches that took place in Alabama, 1965...

📖 TEACHING YOUR BIRD TO TALK Diane Grindol,Tom Roudybush,2008-04-21 From two noted experts-the first in-depth book on teaching your bird to talk Teaching a bird to talk isn’t as difficult as it may seem. In this easy-to-follow guide, avian experts Diane Grindol and Tom Roudybush reveal how you can communicate with your parrot far beyond hello and, in turn, understand what your bird is trying to communicate to you. Teaching Your Bird to Talk compiles an impressive amount of background, training, and research regarding bird vocalizations, walking you step by step through the behavioral mechanics of training parrots to talk (as well as starlings, mynahs, and other birds). Whether you want your bird to mimic words, talk on cue, or have some understanding of what you are saying, this guide shows you the type of training you need to do with your bird. The book also takes a close look at the work of Dr. Irene Pepperberg-the world’s foremost authority in the field of parrot intelligence and trainer of Alex the African Grey Parrot. * Identifies which species of bird are likely to talk and which aren’t * Explores field research on regional languages and dialects of parrots in the wild * Features true stories from owners of talking birds * Explains how to handle problems with vocal parrots, such as screaming and using inappropriate language * Offers tips on feeding and housing birds, and finding an avian veterinarian
