Luna Wolf Regan Rosewood,G Bailey,2022-01-13 I've been rejected by everyone-but an alpha heir wants me to be his pretend mate. As the only wolf shifter in my pack not to shift, being rejected from my home when I turned eighteen was not unexpected when the shifter war is so close. But being sent to a secret academy full of immortal wolf shifters, demons, and teachers with no morals wasn't something I planned for. Luna Alpha Academy is for rejects only. They choose wolves that no one cares about if they go missing and if I can survive long enough to learn the dark magic they teach, I might even be welcome back home as a wolf-witch. Only catch? My tutor is a hot shifter asshole who takes what he wants-this time it's me. In exchange for extra training, Atlas wants me to pretend to be his. Every kiss, every possessive touch, every growl to anyone that comes near me only makes me want him more. But I can't have him. Not really. He's the alpha heir. I'm a wolf who can't even shift. We don't belong together, and it's fake. It can't ever be real. Dark magic is my future and my only way back to my pack. This is a full-length trilogy full of sexy alpha males, steamy scenes, a strong heroine and a lot of sarcasm. Intended for 17+ readers.

Built to Fall Julia Wolf,2021-01-03 You're perfect for this job, Claire. He won't want to sleep with you. You're not his...type. Dominic Cantrell has been famous almost as long as I've been alive, but he remains a dark, volatile mystery. I know why I was hired to handle Dominic's PR while he's on tour. It's not because of my experience-I have next to none. It's because I'm safe. Plain, quiet, shy, with more-than-ample curves, I won't distract him. What I didn't count on was Dominic distracting me instead. I shouldn't be so drawn to him. He's too old for me, too closed-off, and definitely too angry, but I've been a good girl for far too long. Why can't I be just a little bit bad, especially when my rock star fantasy is so willing to corrupt me? Our fling has an expiration date at the end of the tour. No strings, no feelings, no heartbreak when it's over. I tell myself I won't fall. But I don't know if I'm built that way.

The Telltale Lilac Bush and Other West Virginia Ghost Tales Ruth Ann Musick,2010-09-12 West Virginia boasts an unusually rich heritage of ghost tales. Originally West Virginians told these hundred stories not for idle amusement but to report supernatural experiences that defied ordinary human explanation. From jealous rivals and ghostly children to murdered kinsmen and omens of death, these tales reflect the inner lives—the hopes, beliefs, and fears—of a people. Like all folklore, these tales reveal much of the history of the region: its isolation and violence, the passions and bloodshed of the Civil War era, the hardships of miners and railroad laborers, and the lingering vitality of Old World traditions.
