Written by Wired News managing editor Leander Kahney, The Cult of Mac is an in-depth look at Mac users and their unique, creative, and often very funny culture. **If Anything Happens I Love You** Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

The text uses a class-tested learning approach and accessible two-color page design to guide students from basic programming to the skills needed for future coursework and engineering practice.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

This book is full of in-depth close readings of video games that parse out the various meanings to be found in the experience of playing a game. 22 contributors (developers, scholars, reviewers and bloggers) look at video games through both senses of well played. The goal is to help develop and define a literacy of games as well as a sense of their value as an experience. Video games are a complex medium that merits careful interpretation and insightful analysis

**From the Grave** William Castle, 2011-07-01 As the Gypsies gather in the ancient village of Les-Saintes-Maries-de-la-Mer for the annual celebration honoring their patron saint, a mystical convergence of events brings four adolescents together at a haunted house and sets them on a perilous quest to locate a centuries-old manuscript that holds the power to release the devastating force of the Ancient Ones upon the Earth. Fifteen-year-old Sarah and her younger brother Luca are lonely Gypsy kids who travel about Europe with their parents. Forced by their Gypsy father to beg and pick pockets for money, Sarah and Luca find it impossible to earn their father's approval. Fifteen-year-old Edgar cannot stand his parents (and the feeling is mutual) when the family moves from New Jersey to France so that his parents can live out their dream of being French aristocracy. Fourteen-year-old Aleck's world is turned upside down when his parents are killed in a car crash and his older sister decides that he would be better off in France with their Aunt and Uncle whose real concern is their own lavish lifestyle. Beset by their parents and guardians, the four young people must also survive the mercurial activities of a spirit haunting the house that holds clues to the location of the manuscript which is also sought by a secret society bent on locating it for their own purposes. In a frenzied chase that takes them from the ancient villages of Provence through the blood-soaked quarries of Roussillon to the macabre catacombs of Paris, the four must put aside their differences and suspicions to outwit the evil forces who would stop at nothing to get their hands on the ancient book. *From the Grave: The Prayer* is a classic tale of terror, suspense and intrigue set in southern France, written by the Master of the Macabre, William Castle.
