Kaiya Kokoro

Jake and the Dynamo D. G. D. Davidson,2021-08 Jake Blatowski can't wait for high school--basketball, calculus, and a cafeteria that isn't under investigation by the health department. But he'll have to wait: A computer malfunction has assigned him to the fifth grade! It's bad enough that he bangs his knees on the desks or that Miss Percy is going over long division . . . again . . . but Jake has to sit next to Dana Volt, a perpetually surly troublemaker determined to make his life a living hell. Worse yet, Dana secretly belongs to a coalition of girls that protects humanity from the horde of deadly monsters plaguing the city--monsters that have chosen Jake as their next target! Jake's no hero; he just wants to make it to varsity tryouts. But now the impulsive and moody Dana is the only one who can save Jake from certain death--and Jake is the only one who can save Dana from herself.

Starting Out Kaiya Kokoro,2015-01-25 Your complete anime persona takes account of your unique personality and appearance, and develops and accentuates those traits which have a natural place in an anime life. Your individual characteristics, aside from being developed in alignment with your ideal anime life, are also contrasted with a group of friends, each also committed to developing an anime lifestyle and persona. Together, individual similarities and differences help create a dynamic and fun group environment. And since no anime lifestyle is complete without some exciting plot-line, the group is put into action going on adventures, working on projects, and achieving goals together. In chapter 1, you will take several quizzes to help you determine what anime personality traits you have. This will help you find your niche among the friends who will take the anime dream to the next level, providing a context for your individual character to be fully realized. In chapter 2, you will learn how you can bring the anime dream to its ultimate manifestation by structuring your group around a Group Focus. The Group Focus serves as a kind of plot-line within which talents will be realized and adventures will be had. In chapter 3, you'll learn how to plan exciting adventures. From fun afternoons to overnight trips - adventures of all sorts are discussed in detail, as well as how to make them affordable and safe. Chapter 4 discusses ways to add anime magic to holidays. In addition to traditional Western holidays that are also celebrated in Japan, common Japanese holidays, celebrated in Japan and in anime, will be discussed. We will review ways to incorporate those holidays in your life through small celebrations with your friends. Chapter 5 discusses group projects - activities that you and your friends can work on together such as making a group photo book, sewing costumes, and making anime style accessories. There is even a how-to guide for creating anime-like photos.

Vita João Biehl,2013-05-01 Zones of social abandonment are emerging everywhere in Brazil's big cities—places like Vita, where the unwanted, the mentally ill, the sick, and the homeless are left to die. This haunting, unforgettable story centers on a young woman named Catarina, increasingly paralyzed and said to be mad, living out her time at Vita. Anthropologist João Biehl leads a detective-like journey to know Catarina; to unravel the cryptic, poetic words that are part of the dictionary she is compiling; and to trace the complex network of family, medicine, state, and economy in which her abandonment and pathology took form. An instant classic, Vita has been widely acclaimed for its bold fieldwork, theoretical innovation, and literary force. Reflecting on how Catarina's life story continues, this updated edition offers the reader a powerful new afterword and gripping new photographs following Biehl and Eskerod's return to Vita. Anthropology at its finest, Vita is essential reading for anyone who is grappling with how to understand the conditions of life, thought, and ethics in the contemporary world.

2.5 Dimensional Seduction Vol. 1 Yu Hashimoto,2022-02-08 I have no interest in real girls! So claims Okumura, the president of the school's manga club. He's your typical otaku, obsessed with a sexy (fictional) 2D manga character known as Liliel. Then the new school year starts, and a (real!) 3D girl named Lilya whose passion is cosplay joins the club. Lilya convinces Okumura to become her photographer--and guess who her favorite manga character is? Not only that, but Lilya is into modeling the fetishy stuff! The boundaries between 2D and 3D start to blur as this hot-blooded romantic comedy unfolds.

Sadly, however miraculous Mash's physical strength may be, it's not magic, and when rumors spread about his inability to use magic, Mash finds himself in magical court! -- VIZ Media

NEKOMONOGATARI (WHITE) NISIOISIN,2019-10-08 Launching into new territory that the author hadn't mapped out when he embarked on the series, NEKOMONOGATARI (White) tells the tale of heroine Tsubasa Hanekawa from her own perspective, in her own voice—if that can hold true for a damaged soul who, depending on who you're asking, suffers from a split personality or a supernatural aberration. The bone-chilling brokenness of her household, where father and mother and daughter keep three separate sets of cookware in the same kitchen and only ever prepare their own meals, and the profound darkness nurtured in the genius schoolgirl's heart, come to life, if that is the word, through her self-vivisection. As for our customary unreliable narrator, Araragi, we seem to learn revealing tidbits about him now that we have an outside view of him at last, while his lady friends Senjogahara, Hachikuji, et al, freed from his predilection for proudly inane banter, show subtly new faces to us via their female interlocutor. Welcome to the Second Season.

Dororo Osamu Tezuka,2020-08-18 Previously published in three installments, the entire run of comic master Osamu Tezuka's enduring classic is

herewith available in one volume at a new affordable price. The lauded adventures of a young swordsman and his rogue sidekick that also inspired the cult video game Blood Will Tell have never been as accessible. A samurai lord has bartered away his newborn son's organs to forty-eight demons in exchange for dominance on the battlefield. Yet, the abandoned infant survives thanks to a medicine man who equips him with primitive prosthetics - lethal ones with which the wronged son will use to hunt down the multitude of demons to reclaim his body one piece at a time, before confronting his father. On his journeys the young hero encounters an orphan who claims to be the greatest thief in Japan. Like an unforgettable road movie, Dororo reaches deeper than its swashbuckling surface and offers a thoughtful allegory of becoming what one is, for nobody is born whole.

Your Friend and Mine, Andy Devine Dennis Devine,2013-01-16 Everyone in Hollywood loved Andy Devine. For that matter, everyone in the country did. That's why he was in so many films. Andy Devine would be married to the same woman for forty-three years and they would live on a farm just outside Hollywood. They raised two sons who would graduate from college and be successful in their own right. In this book you will meet many Hollywood characters who were clever, funny and unpredictable. You will experience both the golden age of film and radio plus the early years of television. You will be involved with the deal makers and the deal breakers. Of note is that this book was not written by a ghostwriter who received his information from outside sources. No. It was written by Andy's youngest son who was always there.
