Mama, Do You Love Me? Barbara M. Joosse, 2017-11-28 In this beautifully illustrated children's book, a heartwarming tale of motherly love unfolds in the Arctic north. In a timeless and universal story, a child tests the limits of independence and comfortingly learns that a parent's love is unconditional and everlasting. The lyrical text introduces young readers to a distinctively different culture, while at the same time showing that the special love that exists between parent and child transcends all boundaries of time and place. The story is complemented by graphically stunning illustrations featuring whales, wolves, puffins, and sled dogs. This tender and reassuring book is one that both parents and children will turn to again and again.

When You Look Up Decur, 2020-07-21 Visually stunning, tactile, and mesmerizing, this graphic novel is a debut at the summit from a self-taught Argentinian visionary. Lorenzo isn't happy about moving. But in his new room, he finds an old desk with what seems like hundreds of drawers. Each even has its own smell! Deep inside the desk, he finds a book and begins to read. When he looks up, he sees all kinds of curious things. Has the book come to life? Or is it something else? This is a graphic novel about observation, imagination, and the many incredible lenses through which everyday experience might be perceived if you read.

Original Grin Ron English, 2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie *Supersize Me*; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on *The Simpsons* secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

Tomasi,Patrick Gleason,2017-01-10 WE ARE KRYPTON Part of the most critically acclaimed, best-selling, all-new line of volume one graphic novels, DC Universe Rebirth! When the Man of Steel died defending his adopted home, it seemed that the spirit of truth and justice he represented was extinguished forever. But watching from the sidelines was another Superman-older, wiser, more experienced-with his wife, Lois Lane, and their son, Jonathan Kent. Now this refugee from a vanished universe is stepping out of the shadows, ready to assume the mantle of his fallen counterpart and take to the skies once more as Earth's greatest hero. But he is not the only survivor of Krypton to make the journey to this reality. The machine mind known as the Eradicator is on the trail of the House of El, and its hardwired directive to protect the Kryptonian genome permits no consideration for any other forms of life-not even those that share Kal-El's blood. Can the son of Superman harness his newly emerging powers in time to resist the annihilation of his humanity? Or will he be reborn into a new Krypton forged from the ashes of his mother's world? Exploding out of DC's blockbuster Rebirth event, SUPERMAN VOL. 1: SON OF SUPERMAN marks the beginning of a new era for the Man of Tomorrow and a great jumping-on point for new fans-brought to you by acclaimed storytellers Peter J.
