Conan The Swordsman L. Sprague de Camp, Lin Carter, Bjorn Nyberg, 2002-12-06 Imagine a world of gods and demons, where men are warriors, women are beautiful, life is a fantastic adventure, and the fate of kingdoms balances on the bloody blade of a fabulous hero: Conan of the iron thews, the blue-eyed barbarian giant who towers above the savage Hyborian world. This is the work that relaunched Conan in both the 1970s and 80s, back in print after more than a decade. Come live the adventure again. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

If Anything Happens I Love You Will McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the

loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

The Great Zoo of China Matthew Reilly, 2015-08-25 The all-new thriller from #1 internationally bestselling author Matthew Reilly! It is a secret the Chinese government has been keeping for forty years. They have found a species of animal no one believed even existed. It will amaze the world. Now the Chinese are ready to unveil their astonishing discovery within the greatest zoo ever constructed. A small group of VIPs and journalists has been brought to the zoo deep within China to see its fabulous creatures for the first time. Among them is Dr. Cassandra Jane CJ Cameron, a writer for National Geographic and an expert on reptiles. The visitors are assured by their Chinese hosts that they will be struck with wonder at these beasts, that they are perfectly safe, and that nothing can go wrong. Of course it can't... GET READY FOR ACTION ON A GIGANTIC SCALE--

Original Grin Ron English, 2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie *Supersize Me*; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on *The Simpsons* secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

Garfield Treasury Jim Davis, 1982 Garfield in 100% color. What could please Garfield fans more than this special collection of the best of Garfield's Sunday comic excursions? Whether he's taking a bath, avoiding a vitamin, or using Jon's leg for a scratching post, he's the same lovable feline he always was.

Crossed: Badlands David Lapham, Garth Ennis, 2010 When civilization crumbles in one terrifying moment; when people are gleefully breaking into unthinkable acts of violence all around you; when everyone you love has died screaming in agony: What do you do? There is no help. There is no hope. There is no escape. There are only the Crossed. This is a horrifically visceral exploration of pure evil committed by depraved, twisted humans

Son of Origins of Marvel Comics Stan Lee, 1997

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

What Every Man Thinks about Apart from Sex Sheridan Simove, 2011

Garfield at Large Jim Davis, 1980 Like every great lasagna, Garfield was born in the kitchen of an Italian restaurant on a winter's night in 1978, while snow fell outside like grated parmesan cheese. He weighed five pounds, six ounces at birth--that's big for a kitten!--and right from the start showed a passion for Italian food. The restaurant owner, forced to choose between Garfield and closing his doors for lack of pasta, sold Garfield to a pet store. Garfield thought he was a goner until Jon Arbuckle walked in the door. The rest is history.
