If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

How Can a Gentile Be Saved? Zola Levitt, As a Jew, Zola was constantly asked, “How did you get saved?,” as though Jewish salvation is hard to find in Scripture. In this thought-provoking Bible study, Zola turns the tables by asking, “How can a Gentile be saved?” An interesting, unique look at the grafting in of the Gentiles to God’s plan.

Running Against the Tide Captain Lee, Michael Shohl, 2018-09-18 From the star of Bravo's hit reality show Below Deck comes Running Against the Tide, the "Stud of the Sea's" first-ever memoir recounting his journey from landlocked Saginaw, Michigan to the high seas, where he has spent more than twenty-five years as a superyacht captain. The cast members of Below Deck are known for their catfights, scheming, personal attacks, and long-held grudges, but what keeps viewers coming back week after week is resident hero Captain Lee, the only cast member to appear in all five seasons. But you don't have to be one of Below Deck's 1.5 million weekly viewers to appreciate Captain Lee's story, which offers a glimpse behind-the-scenes at the luxury yachting industry and one of Bravo's biggest franchises. From having to reclaim his drunk captain's lost papers in the Dominican Republic to unwittingly crewing a drug boat out of Turks and Caicos to navigating the outrageous demands of the super-rich in New York City, Captain Lee's tales from the high seas run the gamut, proving time and time again why he's a fan favorite: he's occasionally profane, he's often surprising, but he's never dull and, for the first time, he's here to tell all.
