Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Original Grin Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

FLAMES OF FREEDOM Grim & Perilous RPG Richard Iorio,Daniel D. Fox,2021-09-28 FLAMES OF FREEDOM is an American Gothic horror tabletop role-playing game, based on the award-winning ZWEIHÄNDER RPG. It is the dawn of the American Revolutionary War of 1776. A tangled web of conspiracy spans North America. It does not matter what your creed, color, culture, faith or gender is—all stand together in the war for survival. Every Rebel patriot holds Thomas Paine's Common Sense aloft as they take up arms against the British Empire. The city of Boston is occupied by the Red Coats, surrounded by Rebel militias. But as the revolution has begun, something far more mysterious stirs. Agents of the occult entreat both the Continental Army and British Empire. Freemasons conspire in the City of Brotherly Love. Maryland is in the throes of a witch hunt by the Knights Templar. Amid the chaos, other grim fairy tales have emerged. Ghouls have been tunneling beneath Boston. There are sightings of witches in the Great Dismal Swamp. Indigenous sachem speak of devils who walk among the living. The Leeds Devil haunts the Pine Barrens of New Jersey. And worse still, a shadowy collective called "The Mandoag" seeks to consume all, Loyalists and Rebels alike. In this game, most people have either chosen to deny the supernatural or rationalize it away. A rare few accept it for what it is to act. You are among those heroes and destined for greatness... or death. This alternative history game includes most of what you need to play: a player's handbook, a game master's guide, a bestiary,

and an introductory adventure set in Boston. All that’s left are a few friends, pencils and a handful of dice. FLAMES OF FREEDOM is an American Gothic horror tabletop role-playing game, based on the award-winning ZWEIHÄNDER RPG.

Border Bang Jorge Gutiérrez,2018-11-13 WHEN MEXICAN FOLKORE MEETS U.S. POP CULTURE!!!! Border Bang is a passionate love letter to the Tijuana and US border, documenting the bootleg artifacts sold to locals and tourists alike. Reappropriating the bombardment of pop culture images is the border’s reaction to global issues and events, telling viewers and consumers not to glorify these situations but rather to acknowledge them through their subversive presentation. Border artisans and shysters digest the influx of international popular culture, reappropriating and reconfiguring images to express themselves and empower objects with subversive ideas masked underneath bold colors and text. Raised in Tijuana, Gutierrez crossed the border to the US to attend elementary and middle school. Each day, he was dazzled and entranced by the objects being sold, creating alternative narratives to the cartoon characters and celebrity portraits that he saw. Border Bang is a reflection of his childhood narrative, using images from Mickey Mouse to Tupac Shakur to convey the reflections and meditations of global events as witnessed by the border, exploring his love affair with Mexican pop and folk culture.
