If Anything Happens I Love You Will

McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

**Maid** Ryo Kamiya, 2014 *Maid: The Role-Playing Game* is a comedic take on a uniquely Japanese cultural icon: The fetishized modern maid. Injecting the concept of Maid with 50ccs of anime and comedy, the players take on the roles of maids, serving the master (played by the GM). Sheets are left unfolded and mantelpieces undusted when giant robots crash through the mansion, ninjas attack and kidnap the young master, and a demonic pit to Hell opens up in the pantry... and all before teatime! Play in the modern comedy setting, or mix it up with 9 additional settings including Victorian era, old Edo period, fantasy and post-apocalypse; and 6 genres including romance, horror, and action. Due to the rules system and random events that form the backbone of the Maid RPG, the game practically runs itself: Go from opening the book to playing a game with friends within just minutes! Three game styles in one: The traditional scenario-type; the random event-driven type; and the favor race, a race to the master's heart! Make characters and start playing the game within minutes of opening the book. Everything about the game gears it for Fast Play, Now. Optional character types

including player-character masters and butlers, and optional rules for seduction and romantic tragedy. 11 complete adventure scenarios. 3 complete replays, actual play scenarios in screenplay format. Great for learning the feel of the game. The first ever Japanese tabletop role-playing game to be released in English! ...which, when you think about it, totally makes sense in a weird sort of way. Hundreds of optional items, costumes, genre and setting events, all presented in a way to easily bring them into the game! Combines the original Japanese core book and two supplements into one huge, complete edition of the game in English. A \$75 value!
