Bad as I Wanna Be Dennis Rodman, 1997-05-12 A wild ride inside the glowing head of Dennis Rodman—the NBA's greatest rebounder and America's most outspoken and outrageous athlete. When Sports Illustrated put the man they call America's most provocative athlete on their cover, they sold more copies than any other issue they had sold in a decade (except the swimsuit issue). Why? Because Dennis Rodman has more in common with Mick Jagger than with his teammate Michael Jordan. With his body-covering tattoos and ever-changing fluorescent hair, Rodman's sideline antics and celebrated benchings captivated sports fans as much as his record-breaking on-court

performances and earned him a reputation as a rebel with the same penchant for shocking behavior as his on-again off-again squeeze, Madonna. In *Bad as I Wanna Be* he shares his surprising and candid opinions on: • Mortality: “If I die young, everybody’s going to say they saw it coming.” • His game: “I never want to score. Never. I want to rebound.” • Having it all: “From the outside I had everything I could want. From the inside I had nothing but an empty soul and a gun in my lap.” . . . And so much more, including his life, from going to prison for stealing watches to his daughter, the light of his life. At a time when most celebrities and professional athletes try to control their public personas like politicians and refrain from expressing their true beliefs, Dennis Rodman is a refreshingly unique, uncompromising individual who both transcends his world and refuses to conform to it. *Bad as I Wanna Be* is as candid, intriguing, and unforgettable as he is.

Paris Review • Paste • Town & Country • BookPage • Kirkus Reviews • BookRiot • Shelf Awareness Jia Tolentino is a peerless voice of her generation, tackling the conflicts, contradictions, and sea changes that define us and our time. Now, in this dazzling collection of nine entirely original essays, written with a rare combination of give and sharpness, wit and fearlessness, she delves into the forces that warp our vision, demonstrating an unparalleled stylistic potency and critical dexterity. *Trick Mirror* is an enlightening, unforgettable trip through the river of self-delusion that surges just beneath the surface of our lives. This is a book about the incentives that shape us, and about how hard it is to see ourselves clearly through a culture that revolves around the self. In each essay, Tolentino writes about a cultural prism: the rise of the nightmare social internet; the advent of scamming as the definitive millennial ethos; the literary heroine's journey from brave to blank to bitter; the punitive dream of optimization, which insists that everything, including our bodies, should become more efficient and beautiful until we die. Gleaming with Tolentino's sense of humor and capacity to elucidate the impossibly complex in an instant, and marked by her desire to treat the reader with profound honesty, *Trick Mirror* is an instant classic of the worst decade yet. FINALIST FOR THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD FOR THE ART OF THE ESSAY
