Miss Behave Traci Highland,2018-07-02 She's great at giving advice, too bad she never takes it... Piper Anderson wants to be a serious journalist at a serious paper covering serious news. Instead, she's stuck at the Pendleton Falls Herald, where her massive investigative skills are wasted penning the paper's advice column, Miss Behave. Her shot at a meaty story comes when she's assigned to write up a profile of a local business, Brookes Jewelers. She is determined to write the piece so she can use the article to impress a real paper. Unfortunately Hunter Brookes, co-owner of Brookes Jewelers and the Pendleton Falls Herald, is rather persistent, in his own hot little way, that the piece should be nothing more than a glorified sales pitch. But when diamonds disappear, Piper may get the chance to do a real investigation, leading her to confront family secrets and worst of all, turn to her mother for help. Piper soon realizes that there is more to Mr. Brookes than a tight ass and a ridiculous fascination with name tags. Together they deal with roasted pigs, crazy cat ladies, and gun-toting fashionistas. In all the chaos, they just might find the one thing that neither one was looking for: true love.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World

War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Luche Libre Volume 1 Jerry Frissen, 2008 It's the first complete stories chronicling the wild adventures of the Luchadores Five, Tequila and Tikitis, collected for the first time! Penn & Teller's how to Play with Your Food Penn Jillette, 1992 What kid of any age can resist a book guaranteed to make fellow diners blanch at restaurants or at the family dinner table? Mean, disgusting, vile, hilarious. The book that makes CRUEL TRICKS look like an etiquette guide. 35 black-and-white photos.

Humble Homes, Simple Shacks, Cozy Cottages, Ramshackle Retreats, Funky Forts Dr Derek Diedricksen, 2012-02-01 This Old House meets Wayne's World in this zany guide to designing and building tiny homes Derek Diedricksen has always had a love for small, modest houses ever since his father gave him the book *Tiny Tiny Houses* by Lester Walker for his tenth birthday. Combining his artistic abilities, wild imagination, and his passion for small houses, he self-published *Humble Homes, Simple Shacks, Cozy Cottages, Ramshackle Retreats, Funky Forts, and Whatever the Heck Else we could Squeeze in Here* in 2009. This book is a collection of Diedricksen's creative/imaginative sketches for building small houses, shacks, cottages, and forts. The sketches are accompanied with hand-written commentary, both instructive and comical. Derek's main purpose is to get your creative juices flowing and encourage you to get off the couch and use your hands. Believing that specific building plans squash creativity, he avoids too many detailed instructions, giving you the chance to put your own creative spin on your very own small abode (even if it is just in your imagination).

A Letter to Tia Don Landy,2013-07-11 Author Don Landy provides canine and feline pet owners with a first person look at grief and grieving in a way that may surprise you. Don Landy never expected to have a dog in his life. After falling for a German shepherd named Sabrina and spending nearly eleven years together, Landy found himself sitting on the floor holding the lifeless body of his beloved dog in his arms and sobbing uncontrollably. Reeling from the loss he vows never again to take a pet, and thereby sets himself up for the inevitable pain that most pet owners experience when the end approaches. A Letter to Tia: Grief. Grieving. The Love, Pain and Loss of a Friend is his personal account of coming face-to-face with grief and grieving. Pet owners of all ages will find comfort, insight, and at times humor in this reflective, life-affirming story of love and loss. A Letter to Tia recounts Landy's past and present struggle with the loss of pets. He starts with the death of his show cat, Charlie Brown, twenty-five years ago and continues through to the recent diagnosis received by Tia, his German shepherd. After the previous loss of Sabrina, Landy and his wife accepted Tia into their lives with understandable trepidation. To insure they made the right move they test the relationship between Tia and their kitten Holly and discover they have become fast friends. However, when Tia is diagnosed with inoperable cancer at four years old, the author finds himself staring down the prospect of consuming sadness over the grim forecast for her survival. Landy chooses to process his grief full-on, identifying the tremendous toll that loss takes on pet owners, and how best to cope with the emotions that accompany it. With a life enriched by memories of his meaningful times with Tia, Landy's book addresses this exceptional feeling of loss, while also offering proof that miracles do happen. A moving tribute to the strong love that is forged between pets and pet owners, A Letter to Tia: Grief. Grieving.
