The Complete Idiot's Guide to Computer Basics, 5th Edition Joe Kraynak,2009-02-03 Time for an upgrade! The fifth edition of The Complete Idiot's Guide® to Computer Basics places the reader in charge of the computer, rather than the other way around, and places the focus on software troubleshooting rather than hardware techno-babble. The reader wants to do something practical with his or her computer—this book shows them how. • Covers basic office programs and how to manage photo, video, and music files • Advice on safe web-surfing, including coverage of newsgroups, message boards, and mailing lists • New green computing initiatives that help protect the environment • Maintenance and upgrading information

Protecting the Flame: Brotherhood Protectors World Brotherhood Protectors World,Ilsa J. Bick,2019-11-21 Grandmother Sarah always said, Der mentsh trakht un got lakht. Man plans and God laughs.Emma Gold had plans. She and Ben were going to live happily ever after. They were going to be a team, the hotshot photojournalist and the crackerjack special investigations officer taking down the bad guys. Except Ben's dead. A suicide, the Air Force said. She knows better, though. After all, she was the one who fed Ben that tip about a smuggling ring operating out of a base in Idaho.Her first mistake was shouting cover-up. When she made too much noise, she got thrown on a military psychiatric ward. Even after she wised up, zipped it, and got out, her second mistake was trusting the wrong man-Ben's CO-with her information. Instead of investigating, the CO got rid of the evidence. Her parents died in a crash she is certain wasn't an accident. But she has no proof.And her third mistake? Sleeping with the CO. More than once. She was lonely, she was hurting, she was vulnerable-and she was an idiot. Because now she's in big trouble and the clock is ticking. Enlisting Hank Patterson's help, Emma's editor has gotten her a gig doing a spread on Joseph Kuntz and the Brotherhood Protectors as well as Lonesome's Sarah Grant and Hank Cooper who broke up a smuggling ring a year ago. Except snow's on the way and Emma's flight has been cancelled. Desperate to get out, she grabs a seat on a small charter plane. And things aren't all bad because one of her fellow passengers, Will Shirer, is a good-looking doctor on his way to a wilderness medicine conference. Best of all, she thinks Will is Jewish. Just a feeling. So, nu, now she has a ride, a plan. What can go wrong?Oy, as her grandmother would've said, mer kopdreyenish vi ir visn. More troubles than you know.Thrown off-course by a savage storm, the plane smashes into a mountain. The survivors are stranded and some are too injured to be moved. Worse, there are wolves and mountain lions happy to make them into a meal. As their supplies dwindle and they count the days by lighting Hanukkah candles in Emma's travel menorah, Emma struggles against the elements, desire, and with keeping her secret: protecting the flame.

Phenomenons Ilsa J Bick,Michael A Burstein,Peter David,2022-01-03 Every world needs heroes. And an alternate reality in which society's been buried under a crushing financial crisis? Such a world needs heroes more than most. Some may remind us of ancient archetypes we still hold in awe. Others will be utterly fresh and quirky. All, under the expert hands of our caring and experienced writers, will be people we'll grow to care about. These are the Phenomenons-vigilantes who haunt the streets, the rooftops, and even the skies, fighting the good fight against the world's leeches and power brokers-and risking their very human lives in the process. In creating the most compelling world we can, we're buoyed by the considerable talents of the most inventive sci fi and fantasy writers around: Ilsa J. Bick. Michael A. Burstein. Russ Colchamiro. Peter David. Keith R.A. DeCandido. Mary Fan. Michael Jan Friedman. Robert Greenberger. Glenn Hauman. Dan Hernandez. Heather E. Hutsell. Paul Kupperberg. Ron Marz. Aaron Rosenberg. Hildy Silverman. Geoffrey Thorne. Marie Vibbert. Not just great writers, but great people. Because hey, given the choice, why wouldn't we want to check both boxes?

Battletech Era Report 2750 Catalyst Game Labs,2012-06-01

Pangaea Michael Jan Friedman,2020-06-12 The super-continent Pangaea, on which mankind has lived its entire life as a species, has become a dangerous and unpredictable place. The ancient oppressors known as the Aristai are tearing civilization apart in order to rebuilt it in their image. If the nations of the world are to weather the storm of death and destruction, they will need heroes--not just leaders and lawmen, but also saviors from the unlikeliest of places. A bodyguard who's lost his way in the wilderness. A chef who knows the value of keeping everything in its place. A truck driver carrying more than what's in his truck. A professor who's unlocked the greatest secret of the super-continent. To guide you on your journey through the lonely mountain peaks, the wide, wild plains, and the teeming seacoasts of Pangaea, we've enlisted the talents of a distinguished fellowship of science fiction luminaries--Danielle Ackley-McPhail, Ilsa J. Bick, Michael A. Burstein, Russ Colchamiro, Peter David, Keith R.A. DeCandido, Kevin Dilmore, Mary Fan, Michael Jan Friedman, Robert Greenberger, Dan Hernandez, Paul Kupperberg, Ron Marz, Aaron Rosenberg, Lawrence M. Schoen, Geoffrey Thorne, Marie Vibbert, and Dayton Ward. In this, the final volume of the Pangaea series, see who will rise, who will fall...and who will be left to pick up the pieces.
