Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Tortured Cardboard Philip E. Orbanes, 2019-07-23 The term "tortured cardboard" sums up what happens to cardboard when making a board game (bound, cut, folded, punched). And, as you'll learn, great board games often reflect whatever "tortures" culture. Each gained immortality after a chaotic beginning and a chance survival. Why? Because—be it chess, backgammon, Clue®, Monopoly®, Scrabble®, Settlers of Catan®, or one of ten others featured in this book—each is replete with "lessons" applicable to achievement in your life. As the twenty-first century gathers momentum, our love affair with board games continues to strengthen. They involve us, they refine social skills, and they teach great lessons applicable in real life. "Tortuous" is the journey of every great board game, from birth in chaotic times, through survival by mere chance, to raging popularity and eventual immortality. Tortured Cardboard reveals how the great ones came to endure and—all fun aside—how

each teaches us something about our own behavior while providing “rules” that can work in your life.

The First Quarter Steve L. Kent,2000 As a child, Philip Sherlock loved to listen to folk tales. Since then he has made a significant contribution to Caribbean folklore by recording many of them in print for the first time. Here are fables of the birds and animals of the West Indies: jaguar, snake, crested curassow, wild pig, parrot, wise owl, and of Anansi--the spider who can assume human form. These twenty-one stories are a wonderful mixture of early tales from the Arawak and the Carib people, the original inhabitants of the Caribbean, and from the Ashanti people of West Africa. Read together they help to provide a background to the history of the West Indies. The stories are retold here in a warm, rich style--some tales gentle and philosophical, some humorous and full of action.
