**Squadron UK** Simon Burley,2015-07-23 What is Squadron UK? Squadron UK is THE British Superhero Role-Playing Game. Although a completely new game - this is a classic, old-school system honed to perfection by a player, referee and writer with decades of Superhero Gaming experience. What's so special about it? \* Addictive character generation - the perfect blend of random rolling and design. \* Fast and furious combat - that makes you feel like you're IN the comic. \* Innovative campaign rules - this is a full role-playing game, not just a combat game. What's in this book? \* The complete Basic game system - with simplified character creation and an example adventure to get you up and running within minutes. \* Advanced rules to allow experienced players to customise the game to their tastes. \* A complete example campaign Squadron: Birmingham - months of adventure.

*The Algernon Files* Blackwyrms Games,2004-03-15 The Algernon Files is a compilation of heroic and villainous NPCs designed to give a GM and his players additional resources for the Mutants & Masterminds game. It includes over 100 write-ups for NPCs of varying power levels, as well as maps, new rules, new powers, and new feats. It introduces the hero teams, The Sentinels, The Aerie, and The Covenant, as well as solo heroes. The book also introduces the villainous teams The Black Knights, The Prometheans, and The Sinister Circle, as well as heavy hitters such as Praetorian and The Serpent Queen, followed by other villains and potential sparring partners of different types, power models, and general effectiveness.

Allies & Adversaries Bastion Press,2003-02 A character collection of trusted advisors and cunning foes, Allies & Adversaries is a vital addition to every gamer's library. Whether you're a GM looking for a fully detailed villain to add to your arsenal, or a player looking for a ready-made character, this book has what you need, all fully illustrated and detailed in an easy-to-use format. Allies & Adversaries features the artistic talent of Jason Engle in Talisman Studio's first product. This is the first product in the Legends Collection series of sourcebooks, providing characters and their statistics for use with any

d20 game world. Contained within the pages of each book are 15 full-color characters, their histories, and complete statistics that make them the perfect choice for quick NPCs or full-fledged player characters to jump quickly into a game.
