Twelve Years a Slave Solomon Northup,2024-01-04
Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Sissy Dreams: From Boyfriend to Girlfriend Paul Zante,
Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

Giant Monster Rampage Ken Lewis, 2011-06-04 *Giant Monster Rampage* is a turn based combat game for two or more players. The game takes place in a world where colossal creatures roam the planet, seeking to destroy each other and anything unfortunate enough to be in their way. The game allows players to create and control one of several different types of monsters, from mutant animals, to alien robots, and everything in-between. *Giant Monster Rampage* gives players complete control over the creation of their monster. Players can create an existing monster from a popular media source or one from their own imagination. The possibilities are endless. The object of the game is to cause as much damage and destruction as possible while taking on any monsters foolish enough to oppose you. *Giant Monster Rampage* is a standalone game that can also be used as an expansion for any other *Toy Battle System* game.

Catwoman DC Comics, Inc, 2004 *Catwoman: Nine Lives of A Feline Fatale* is a thrilling celebration of one of the most popular female icons of all time. Since her inception in 1940, *Catwoman* has evolved from a simple cat burglar into a complex character who has played the role of both villain and heroine. An entertaining volume that spans the entire career of Batman's most alluring nemesis, this book reprints nine of *Catwoman's* most significant adventures, including her first felonious appearance as well as her most memorable battle with the Dark Knight.
