Introductory Grammar of Amharic Wolf Leslau, 2000 This book closes the gap for beginners who want to study the Amharic language and had difficulties in finding the right grammar for this purpose: The first grammar of Amharic, the national language of Ethiopia, was published by Hiob Ludolf in 1698. The Amharic grammar published by Praetorius in 1879 is based on Amharic religious texts and on scattered material, usually composed by missionaries. A milestone in the study of Amharic is Marcel Cohen's *Traite de langue amharique* (1936), but this grammar, too is not completely suited for beginners since the author's generalizations are at times aimed at linguists. The grammar that comes closest to the concept of a beginner's grammar is that of C.H. Dawkin (1960), yet this grammar is extremely short, does not give examples and does not introduce the student to the intricacies of the language. The new book gives all the grammatical forms and the sentences of the present grammar in Amharic script and in phonetic transcription. The illustrative examples have a free and a literal translation. This procedure should likewise prove to be useful for the Semitist as well as for the general linguist.

Original Grin Ron English, 2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie *Supersize Me*; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on *The Simpsons* secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

Funkytown Paul Kennedy, 2021-09-28 It is 1993: a serial killer is loose on the streets of Frankston, Victoria. The community is paralysed by fear, and a state's police force and national media come to find a killer. Meanwhile, seventeen-year-old Paul Kennedy is searching for something else entirely. He is focused on finishing school, getting drafted into the AFL and falling in love. So much can change in a year. The rites of passage for many Australian teenage boys - blackout drinking, simmering violence and emotional suppression - take their toll, and the year that starts with so much promise ends with Kennedy expelled, arrested and undrafted. But one teacher sees Kennedy self-destructing, and becomes determined to set him on another path

Young People Re-Generating Politics in Times of Crises Sarah Pickard, Judith Bessant, 2017-07-31 This book provides insight into the diverse ways young people from around the world are regenerating politics in innovative and multifaceted ways. The authors, who include academics and activists, challenge claims that young people are apolitical, apathetic and living up to the 'me generation' stereotype. Contributions cover a rich body of case examples of traditional and new forms of youth politics in response to situated injustices and political and socio-economic crises. Significant and optimistic, the collection presents strong evidence from across the globe that these developments are not isolated incidences, but are in fact part of a systemic, large-scale transformation leading to a regeneration of the political landscape by young people. The book is aimed at students and scholars in the fields of politics, sociology, policy studies and youth and childhood studies.

Transformers Mark Bellomo, 2007-04-25 *Transformers: Identification and Price Guide* is the ultimate reference for all Generation One (G1) Transformers figures released from 1984 - 1990. Featuring more than 1,200 color photographs, this unparalleled guide presents every character in robot and alternate modes with accessories. Individual character biographies are presented from the original Tech Specs and also include function, personal motto, and ability scores. Notes on character history - as presented in the Sunbow cartoon series and Marvel comic books - are complemented by expert commentary on character attributes and popularity on today's secondary market. Current values for all figures in varying condition grades assist collectors in determining the value of their collections. Collectors, toy dealers, casual fans, and everyone who staged basement battles between the heroic Autobots and the evil Deceptions need an accurate identification and price guide to decipher the more than 300 G1 Transformers toys produced from 1984 - 1993. This is the definitive reference for your favorite Robots in Disguise!

Art of He-Man and the Masters of the Universe Various, 2015-04-28 In 1983, the world was introduced to He-Man and the Masters of the Universe. What followed was a cultural sensation that changed the landscape of children's entertainment forever! Join Mattel and Dark Horse in this comprehensive retrospective chronicling He-Man's decades-long epic journey from toy, to television, to film, to a true pop culture phenomenon!

The Garfield Gallery Jim Davis, 1989

Batman Chuck Dixon, 1997 /Rick Burchett and Brian Stelfreeze Bane, the villain who broke Batman's back in the unforgettable KNIGHTFALL storyline, is back! Left adrift on the high seas after his last encounter with the Dark Knight, Bane regains consciousness on a floating nuclear power plant--the perfect instrument of revenge against Batman and Gotham City. Graphic novel format.

Moral Combat Patrick M. Markey, Christopher J. Ferguson, 2017-03-21 In family rooms across America, millions of children and teenagers are playing video games, such as *Call of Duty*, *Halo*, and *Grand Theft Auto*, roaming violent virtual worlds—with virtual guns in their hands. In what sometimes seems like an increasingly violent world, it's only natural to worry about the effects of all this pixelated gore. But is that concern misplaced? Authors and psychologists Patrick M. Markey and Christopher J. Ferguson say it is. The media and politicians have been sounding the alarm for years, and with every fresh tragedy involving a young perpetrator comes another flurry of articles about the dangers of violent media. The problem is this: Their fear isn't supported by the evidence. In fact, unlike the video game-trained murder machines depicted in the press, school shooters are actually less likely to be interested in violent games than their peers. In reality, most well-adjusted children and teenagers play violent video games, all without ever exhibiting violent behavior in real life. What's more, spikes in sales of violent games actually correspond to decreased rates of violent crime. If that surprises you, you're not alone—the national dialogue on games and violence has been hopelessly biased. But that's beginning to change. Scholars are finding that not only are violent games not one of society's great evils, they may even be a force for good. In *Moral Combat*, Markey and Ferguson explore how video games—even the bloodiest—can have a positive impact on everything from social skills to stress, and may even make us more morally sensitive. Tracing the rise of violent games from arcades to online deathmatches, they have spent years on the front lines of the video game debate and now offer a comprehensive overview of the scientific research on gaming. With humor, complete honesty,

and extensive research, they separate the myth from the medium. Moral Combat is an irreverent and informative guide to the worries—and wonders—of our violent virtual world.

Code Monkey Save World Greg Pak,Jonathan Coulton,2014-02-15 A put-upon coding monkey teams up with a seething, lovelorn super-villain to fight robots, office worker zombies, and maybe even each other as they struggle to impress the amazing women for whom they fruitlessly long. Based on the songs of internet superstar musician Jonathan Coulton.

String Divers Chris Ryall,2016-03-22 Originally published as String Divers issues #1-5--Colophon.

Get Ready for 2nd Grade Scholastic Inc.,2004-03-01 Math, phonics, grammar, writing, reading activities plus stickers and game board.

Super Mario Sunshine David S. J. Hodgson,Bryan Stratton,2002 Provides helpful strategies for playing the Nintendo GameCube game Super Mario: Sunshine. Includes a walkthrough, solutions for minigames, boss battle techniques, character moves and combos, secret areas and hidden items, and much more.

White Pearl Anchuli Felicia King,2022-11-08 It's just a fun ad. Now the whole world is going crazy. In Singapore, Clearday(TM) has developed from a small startup into a leading international cosmetic brand in less than a year. But when a draft of the company's latest skin cream advert is leaked, the video goes viral globally for all the wrong reasons. YouTube views are in the thousands and keep climbing; anger is building on social media; and journalists are starting to cover the story. This is an international PR nightmare; the company cannot be seen to be racist, they've got to get it taken down before America wakes up.

Lego Make Your Own Movie Klutz,2016-11 Lights...camera...action! Bring your LEGO minifigures to life with this beginner-friendly guide to stop-motion animation. Ten Mini Movies walk you through using your phone, tablet, or computer to make short, funny clips with step-by-step instructions.
