Lamentations of the Flame Princess

*If Anything Happens I Love You* Will McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

**Hip-Hop Divas** Vibe Magazine Staff, 2001 It’s time to stand up, take notice, and give props to the women who have made their mark on hip hop culture. Although superstars like Lauryn Hill, Mary J. Blige, and TLC are some of the most popular entertainers in the world today—each having sold some 20 million albums apiece—the dramatic rise of women to the top of the hip hop industry has never been chronicled before. The revolution was decades in the making, with the female pioneers fighting for a place in the hip hop boy’s club, confronting sexist attitudes, and grabbing their piece of the commercial pie while taking hip hop to new creative heights. Now VIBE, the preeminent hip hop magazine, celebrates this pop culture explosion with a book of thoughtful essays, stunning photographs, and informative timelines and sidebars. Some of the best writers on hip hop profile the grassroots efforts of hip hop’s first ladies to the hottest stars of the moment. Emil Wilbekin, editor in chief of VIBE, Mimi Valdés, Danyel Smith, dream hampton, Greg Tate, Sacha Jenkins, Harry Allen, Selwyn Hinds, Cristina Verán, and many others come together to reveal how these women continue to play a powerful and integral role in the hip hop world.

Expressive Anatomy for Comics and Narrative: Principles and Practices from the Legendary Cartoonist Will Eisner, 2008-08-17 The final volume of Will Eisner’s celebrated instructional trilogy explores the critical principle of body grammar in comics storytelling. Designed and outlined by Will Eisner before his death in 2005, this posthumous masterwork, the third and final book in the Will Eisner Instructional Series, finally reveals the secrets of Eisner’s own techniques and theories of movement, body mechanics, facial expressions, and posture: the key components of graphic storytelling. From his earliest comics, including the celebrated Spirit, to his pioneering graphic novels, Eisner understood that the proper use of anatomy is crucial to effective storytelling. His control over the mechanical and intuitive skills necessary for its application set him apart among comics artists, and his principles of body grammar have proven invaluable to legions of students in overcoming what is perhaps the most challenging aspect of creating comics. Buttressed by dozens of illustrations, which display Eisner’s mastery of expression, both subtle and overt, *Expressive Anatomy for Comics and Narrative* will benefit comics fans, students, and teachers and is destined to become the essential primer on the craft.

**No Exit from Pakistan** Daniel S. Markey,2013-10-07 This book tells the story of the tragic and often tormented relationship between the United States and Pakistan. Pakistan's internal troubles have already threatened U.S. security and international peace, and Pakistan's rapidly growing population, nuclear arsenal, and relationships with China and India will continue to force it upon America's geostrategic map in new and important ways over the coming decades. This book explores the main trends in Pakistani society that will help determine its future; traces the wellsprings of Pakistani anti-American sentiment through the history of U.S.-Pakistan relations from 1947 to 2001; assesses how Washington made and implemented policies regarding Pakistan since the terrorist attacks on the United States on September 11, 2001; and analyzes how regional dynamics, especially the rise of China, will likely shape U.S.-Pakistan relations. It concludes with three options for future U.S. strategy, described as defensive insulation, military-first cooperation, and comprehensive cooperation. The book explains how Washington can prepare for the worst, aim for the best, and avoid past mistakes.

**I Guarantee It** George Zimmer,2021-09-21 America knew George Zimmer for one of the most famous slogans in television advertising history: "I guarantee it." Zimmer rode his promise to lead the Men's Wearhouse to unimagined success as a retail giant. Now, years removed from his stunning dismissal as leader of the company he founded, I Guarantee It recounts the journey of Zimmer's rise, the fall of the Men's Wearhouse, and his personal renewal. For forty-one years, George Zimmer forged a relationship with American men who wanted to like the way they looked without getting too fussy about it. He made them a promise that came straight from the shoulder: "I guarantee it," he said, and it was ironclad. By the millions, customers walked into The Men's Wearhouse stores in all fifty states and Canada, where they received "quality, service, and a good price," where they bought suits, ties, sports coats, and slacks by the tens of billions of dollars. Then a backstabbing — the handpicked board of directors fired Zimmer from the company he had created and developed into the most successful men's specialty store in world history. Eight years later, Zimmer is back to tell his story: a man raised by a prosperous and loving family, a fun-loving son of the sixties, a merchant, an entrepreneur, a pitchman for the ages. Zimmer's ouster devastated but did not destroy him. His is a story of hard work and resilience, about a life in business that succeeded beyond belief and followed the Golden Rule. It's a story that will teach and inspire. He guarantees it.
