*The Paper Solution* Lisa Woodruff,2022-01-25 From the Marie Kondo of paper comes a simple and accessible guide to paper management. Americans are drowning in paper. We keep stacks of it on the kitchen counter, stash it in drawers, and store file cabinets full of documents that we never even look at. Studies show that fully 85 percent of the paper in our lives can be tossed--but which 85 percent? And how do we organize and manage the 15 percent that remains? With The Paper Solution, founder of Organize365 Lisa Woodruff delivers a proven, step-by-step guide for what to shred, what to save, and how to sort what's left behind. With her method, you'll learn: • What documents you must absolutely hold on to • Which papers you can dispose of today • How to ditch your bulky filing cabinets and make your vital documents accessible and portable And at the heart of it all is the Sunday Basket: a box that sits on your counter and corrals those stray bills, forms, coupons, and scraps into an easy-to-use paper-management system. The Sunday Basket will become your new weekly habit--one that leads to less paper, less stress, and more time to spend on the things (and people) that matter most.

*12 Rules for Life* Jordan B. Peterson,2018-01-23 #1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. 12 Rules for Life shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.
