Most everyone cannot wait for Christmas morning to arrive, but is it for the right reason? Sarah A. Reinhard designed Welcome Baby Jesus for you and your family to capture some of what's intended by the liturgical season of Advent. Each day has a Scripture quote from the Sunday gospel readings, a brief reflection, and an action to complete. A Christmas Tree Illustrated Charles Dickens,2020-07-06 Perhaps best described as Dickens's ``other" Christmas story, this is an elderly narrator's reminiscence of holidays past, each incident inspired by the gifts and toys that decorate the traditional tree. There is a range of appeal in the story itself, from snug memories of beloved toys to the passing along of eerie stories surrounding various childhood haunts. Ingpen renders the story quite accessible by focusing on objects of the period mentioned in the text, and by filtering the memory aspects of the telling through soft sweeps of paint. All ages.

Border Bang Jorge Gutiérrez,2018-11-13 WHEN MEXICAN FOLKORE MEETS U.S. POP CULTURE!!!! Border Bang is a passionate love letter to the Tijuana and US border, documenting the bootleg artifacts sold to locals and tourists alike. Reappropriating the bombardment of pop culture images is

the border's reaction to global issues and events, telling viewers and consumers not to glorify these situations but rather to acknowledge them through their subversive presentation. Border artisans and shysters digest the influx of international popular culture, reappropriating and reconfiguring images to express themselves and empower objects with subversive ideas masked underneath bold colors and text. Raised in Tijuana, Gutierrez crossed the border to the US to attend elementary and middle school. Each day, he was dazzled and entranced by the objects being sold, creating alternative narratives to the cartoon characters and celebrity portraits that he saw. *Border Bang* is a reflection of his childhood narrative, using images from Mickey Mouse to Tupac Shakur to convey the reflections and meditations of global events as witnessed by the border, exploring his love affair with Mexican pop and folk culture.

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
