B-52 Stratofortress vs SA-2 "Guideline" SAM Peter E. Davies, 2018-10-18 Ever since its introduction in the late 1950s, the B-52 Stratofortress has been the United States' primary heavy bomber and a powerful symbol of its immense military might. Its powerful electronic countermeasures equipment (ECM) was thought to make the B-52 immune to ground-to-air missile attack, but in Vietnam, and later conflicts such as Operation Desert Storm in 1991, it came up against the Soviet-designed SA-2 SAM which used heavy salvos of missiles to bring down the bombers. The losses of several of its most feared, powerful and supposedly invincible bombers per night to a torrent of Soviet missiles during the closing stages of the Vietnam War was sobering to Americans, but the B-52s' crushing attacks virtually eliminated North Vietnam's defences and forced a peace settlement. This fascinating book analyses the roles of the SA-2 operators and the B-52 Electronic Warfare Officers (EWOs) using specially commissioned artwork as well as first-hand accounts, and traces the cat-and-mouse tactics that each side employed.

Core 52 Mark E. Moore, 2019-07-16 ECPA BESTSELLER • FINALIST FOR THE CHRISTIAN BOOK AWARD® • Build your Bible IQ and Christian worldview in just fifteen minutes a day! Over the course of a year, Core 52 will help you master the 52 most important passages in the Bible. "You will gain the tools you need for living the life God has called you to."—Kyle Idleman, pastor and author of Not a Fan "For physical training is of some value, but godliness has value for all things, holding promise for both the present life and the life to come."—1 Timothy 4:8 Most of us want to know the Bible better, but few reach our goal, often because we're too busy or we don't know where to start. Core 52 removes both barriers, offering a common-sense solution that

fits into our busy lives. Respected Bible professor and teaching pastor Mark E. Moore developed this proven process from thirty-five years of helping people grow deeper in God's Word. Each week features a brief essay, memory verse, Bible story, trajectory verses, and practical ways to put what you've learned into practice. An optional "Overachiever Challenge" offers the chance to memorize the top 100 Bible verses by year's end. This simple approach allows you to become familiar with the big ideas of the Bible in less time and with less effort than other reading plans. In one year, you can master the core of the Bible—focusing on topics from God's will to worry, happiness to holiness, and leadership to love. These fifty-two core passages are lenses through which you can read the rest of the Bible with clarity and confidence.

B-52 Stratofortress John Hamilton, 2013-01-01 Presents information about the B-52 stratofortress, covering how it is used, its history, and its specifications.

Core 52 Family Edition Mark E. Moore, Megan Howerton, 2022-10-18 In just ten minutes a day, you and your kids can master 52 core Bible verses over the course of a year—and have fun doing so! While there are lots of one-year Bible reading plans and family devotionals, few help kids understand the words that they're reading. In this new addition to the popular Core 52 line of resources, Mark E. Moore and his daughter, former teacher and stay-at-home mom Megan Howerton, coach you and your family through 52 of the Bible's key verses. Each week provides you and your child with a simple 5-day plan: • Day 1—read the Bible verse and explanatory text and start a fun challenge • Day 2—memorize a key verse with the help of an engaging 3-minute video • Day 3—read a longer related Bible passage and answer a question • Day 4—further explore through a second Scripture verse and question • Day 5—answer deeper

questions together and assess the results of the week's challenge In just a year, Core 52 Family Edition takes children aged 6 to 12 from biblically curious to spiritually confident and competent. Best of all, it's a journey you'll take with them!

Jeremiah 26-52 Carolyn Sharp,2021-11-22 This commentary illumines Jer 26-52 through historical, literary, feminist, and postcolonial analysis. Ideologies of subjugation and resistance are entangled in the Jeremiah traditions. The reader is guided through narratives of extreme violence, portrayals of iconic

allies and adversaries, and complex gestures of scribal resilience. Judah's cultural trauma is refracted through prose that mimics Neo-Babylonian colonizing ideology, dramatic scenes of survival, and poetry alight with the desire for vengeance against enemies. The commentary's historical and literary arguments are enriched by insights from archaeology, feminist translation theory, and queer studies.

Oxford Studies in Ancient Philosophy Victor Caston, 2017-08-11 Oxford

Studies in Ancient Philosophy is a volume of original articles on all aspects of ancient philosophy. The articles may be of substantial length, and include critical notices of major books. OSAP is now published twice yearly, in both hardback and paperback. 'Have you seen the latest OSAP?' is what scholars of ancient philosophy say to each other when they meet in corridors or on coffee breaks. Whether you work on Plato or Aristotle, on Presocratics or sophists, on Stoics, Epicureans, or Sceptics, on Roman philosophers or Greek Neoplatonists, you are liable to find OSAP articles now dominant in the bibliography of much serious published work in your particular subject: not safe to miss. – Malcolm Schofield, Cambridge University OSAP was founded to provide a place for long pieces on major issues in ancient philosophy. In the years since, it has fulfilled this role with great success, over and over again publishing groundbreaking papers on what seemed to be familiar topics and others surveying new ground to break. It represents brilliantly the

vigour - and the increasingly broad scope - of scholarship in ancient philosophy, and shows us all how the subject should flourish. - M.M. McCabe, King's College London
