📖 [El1000](#) Antonio Scarponi,2016-09-01 By following the instructions in this book, you will become the manufacturer of an idea. This book is an instruction manual for a product that only exists if you build it. Here are the instructions. I have designed this device so that you can produce your food, using some inexpensive Ikea boxes and the directions in this book. This system uses hydroponics, a farming technique that can be used to grow plants in water instead of soil. The reason for using hydroponics is very simple: hydroponics allows you to save up to the 90% of the water used in traditional agriculture systems, requires much less space, and provides you with full control of the nutrients needed by the plants at each stage of their growth. Another great thing about hydroponics is that you don’t have to worry about watering the plants. The system I have designed combines different hydroponics techniques. These are adapted to make them easy to use at home. This means that you become a farmer, perhaps an urban farmer. However, this book is not a book on urban farming, nor is it a general book about hydroponics. This book is a manual that will show you how to build and run a simple hydroponic system with some inexpensive Ikea boxes. I call this system EL1000.

📖 [The Storied Life of A. J. Fikry \(Movie Tie-In\)](#) Gabrielle Zevin,2022-09-06 “Marvelously optimistic about the future of books and bookstores and the people who love both.”—The Washington Post A. J. He lives alone, his bookstore is experiencing the worst sales in its history, and now his prized possession, a rare collection of Poe poems, has been stolen. But when a mysterious package appears at the bookstore, its unexpected arrival gives Fikry the chance to make his life over--and see everything anew. “This novel has humor, romance, a touch of suspense, but most of all love--love of books and bookish people and, really, all of humanity in its imperfect glory.” —Eowyn Ivey, author of The Snow Child “You won’t want it to end.” —Family Circle “A natural for book groups.” —Richmond Times-Dispatch “A reader’s paradise of the first order.” —The Buffalo News “A fun, page-turning delight.” —Minneapolis Star Tribune “Captures the joy of connecting people and books . . . irresistible.” —Booklist “A wonderful, moving, endearing story of redemption and transformation that will sing in your heart for a very, very long time.” —Garth Stein, author of The Art of Racing in the Rain “Readers who delighted in The Guernsey Literary and Potato Peel Pie Society, The Unlikely Pilgrimage of Harold Fry, and Letters from Skye will be equally captivated by this novel.” —*Library Journal, starred review
