Joanna Baillie

Hi-Nikki ,2016 A never-before-published collection of beautiful, arresting photographs from Japanese photographer Nobuyoshi Araki

The Mystery of the Titanic Jane Smith,Kelly Milner Halls,2021-03-09 Uncover the secrets of the Titanic in this fascinating exploration for kids 8 to 12 If you're interested in the incredible story of the R.M.S. Titanic, this book helps you dive even deeper. Start with the details that explain why the ship was so famous even before it sank, then discover the secrets that are still resting at the bottom of the ocean today. Become an investigator as you dig into mysteries like why it took so long for help to arrive while the Titanic was sinking and what made it so difficult for scientists to find the wreckage. As you sail through the story, watch out for the detective figure who pops up every time there is a clue on the page that will help you solve the mystery of the Titanic. Experience life at sea--Read the true stories of the ship's passengers, and learn where they slept, what they ate, and even what they did for fun while onboard. Uncover the truth--Photos, illustrations, and diagrams help you explore the scientific techniques that researchers used to locate the wreck of the Titanic and reconstruct what happened to it. Form your own hypothesis--Determine if different factors like the weather, the ship's construction, and poor communication among the crew could have contributed to the fatal voyage. Immerse yourself in the history and science behind the famous story of the Titanic.

The Story of the Titanic for Children Joe

Fullman,2018-02-08 It was a night to remember-- when the unsinkable ship sunk. Introduce children to the unforgettable story of the Titanic. More than a century after it crashed into an iceberg, the Titanic remains as compelling as ever. Now children can explore its beautiful sundecks, marvel at the luxurious design, and relive the tragic sinking of the world's most famous ship. Rich in visual detail, this insightful look at the unfolding disaster will hold kids spellbound with intriguing facts and real-life stories.

Quilt Big Jemima Flendt,2018-12-04 Big, bold, impressive designs that sew together quickly and easily! Approaching quilting in a big way, Quilt Big takes the inherent beauty found in single block patterns and creates big, bold quilts, quickly and easily. Whether you're simply short on time or intimidated by complex quilts, Quilt Big will show you how super-sizing your blocks make for faster finishes and so much more. In this block book and design resource, you'll find: • 22 BIG blocks to show off your favorite fabrics in fantastic ways. • Step-by-step guide to scaling traditional blocks to oversized designs. • 17 quilt designs featuring bold, super-sized blocks. Plus, these 15, 18, and 24 blocks are interchangeable for one-of-a-kind finished projects! • No CD required! Block patterns have been designed in a way that no specially sized templates are needed. If you're new to quilting, there's no better way to learn than on a grand scale. And, for the experienced quilter, large block pieces are a fabric-friendly way to feature your favorite designer collections. Super-size

your love of quilting with Quilt Big!
