Sarah Conover,Freda Crane

*Spent Fuel Performance Assessment and Research* ,2021 This publication is based on results obtained in the participating Member States during an IAEA coordinated research project (CRP) on spent fuel and storage system performance. It provides an overview of the technical issues related to wet and dry storage of spent fuel and summarizes the objectives and major findings of the research carried out within the framework of the CRP. The experience and insights provided by the participants are expected to assist readers in identifying challenges in implementing long term storage and promote understanding of the current status of spent fuel performance research.--Publisher's description

Ayat Jamilah Sarah Conover,Freda Crane,2004 Presents Islamic stories that offer a background in Islamic traditions, folk tales, and mystical verse.
