*Celestial Being* Noboru Kimura, Hajime Yada, Yoshiyuki Tomino, 2010 The novelization of the hit anime series! The year is 2307 A.D. Although fossil fuels have been depleted, humanity has obtained a new source of energy to replace them in the form of a large-scale solar power generation system based on three huge orbital elevators. However, the benefits of this system are available only to a handful of major powers and their allies. The three orbital elevators belong to three superpower blocs. These are the Union, led by the United States of America; the Human Reform League, led by China, Russia, and India; and the AEU, led by Europe. These superpower blocs continue to play a grand zero-sum game for the sake of their own prestige and prosperity. In this world of never-ending conflict, a private armed organization appears, dedicated to the elimination of war through armed force. Its name is Celestial Being, and it is in possession of Gundam mobile suits. With these Gundams, it begins armed intervention into all acts of war.

*Achtung-Panzer!* Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Medallion Status John Hodgman, 2019-10-15 “[An] affecting and hilarious meditation on fame and prestige as seen through the lens of an airline loyalty program.” —The AV Club A hilarious and honest new book in which John Hodgman, New York Times bestselling author of *Vacationland*, leaves vacation behind and gets back to work as a still somewhat famous person . . . and then loses his job. An uproarious read. After spending most of his twenties pursuing a career as a literary agent, John Hodgman decided to try his own hand at writing. Following an appearance to promote one of his books on *The Daily Show*, he was invited to return as a contributor. This led to an unexpected and, frankly, implausible career in front of the camera that has lasted to this very day, or at least until 2016. In these pages, Hodgman explores the strangeness of his career, speaking plainly of fame, especially at the weird, marginal level he enjoyed it. Through these stories you will learn many things that only John Hodgman knows, such as how to prepare for a nude scene with an oboe, or what it feels like to go to a Hollywood party and realize that you are not nearly as famous as the Property Brothers, or, for that matter, those two famous corgis from Instagram. And there are stories about how, when your television gig is canceled, you can console yourself with the fact that all of that travel that made your young son so sad at least left you with a prize: platinum medallion status with your airline. Both unflinchingly funny and deeply heartfelt, *Medallion Status* is a thoughtful examination of status, fame, and identity--and about the way we all deal with those moments when we realize we aren't platinum status anymore and will have to get comfortable in that middle seat again.

*Kill la Kill* Kazuki Nakashima, As her control of Senketsu grows, Ryuko is attacked by Tsumugu – an angry sniper who claims that Ryuko's Kamui could be an even greater threat than Satsuki Kiryuin! Plus, Ryuko faces off against the combined power of the unstoppable Elite Four! It's the most jam-packed action-fueled sexy suspense-filled *Kill la Kill* volume yet!
